

CITY OF ORANGE HISTORIC PRESERVATION COMMISSION

DATE: May 17, 2017

NUMBER 13-2017

TITLE: A RESOLUTION OF THE CITY OF ORANGE TOWNSHIP HISTORIC PRESERVATION COMMISSION GRANTING CERTIFICATE OF APPROPRIATENESS TO COMMUNITY ASSET PRESERVATION CORP., FOR BLOCK 4103, LOT 28 FOR REPLACEMENT OF ROTTED PORCH COLUMNS, DECKING, POSTS AND WINDOW REPLACEMENT (489 CONOVER TERRACE)

WHEREAS, Community Asset Preservation Corp., (“Applicant”) has applied to the Historic Preservation Commission of the City of Orange Township for approval of a Certificate of Appropriateness for work to be done on its property located at 489 Conover Terrace, Orange, New Jersey, and designated as Block 4103, Lot 28 on the Tax Map of the City of Orange Township; and

WHEREAS, the Application consisting of the Application form signed by Daniel Karbownik, dated April 12, 2017, and two (2) photographs; and

WHEREAS, the Commission received and reviewed the Application and attachments as described above from the Applicant, as well as any memoranda from the Department of Public Works, Planner, Engineer, Construction Code Official, Fire department, Police department, and any appropriate division or officer thereof, and any other agencies and provided an opportunity for comments from the public and interested parties; and

WHEREAS, the Application was the subject of public notice by virtue of the publication of the agenda of the Historic Preservation Commission, and all members of the Commission voting on this resolution have attended the public hearing(s) or have certified that they have read the transcript(s) or listened to the tape(s) of the hearing pursuant to N.J.S.A. 40:55D-10.2; and

WHEREAS, the Commission reviewed the application and plan(s) (if any) and any other submission of the Applicant and is granting approval in reliance upon the representations made in the application, plans, notes on the plans and testimony in the public presentation by the Applicant and the Applicant’s professional(s); and

WHEREAS, the Commission, after carefully considering the evidence submitted by the Applicant, its own professionals and City’s professional staff, and the general public, makes the following findings of fact and conclusions of law:

I. FINDINGS OF FACT

- A. On the subject property, Block 4103, Lot 28, located at 489 Conover Terrace, is a large house situated in the Montrose - Seven Oaks historic district.
- B. Based upon the representations of the Applicant’s representative, Daniel Karbownik, the Applicant made an emergency repair to the front porch decking, stairs and posts to allow for access to the structure.
- C. Now, the Applicant desires to restore the property and agreed, after much discussion with the Commission, to replace the rotted porch columns with circular pillars in the same doric design, made of either wood or composite materials that look like wood, to replace the posts on the

porch balustrade with closely-spaced simple slats of a lower height, such as were original, instead of the colonial decorating railings of a higher height, to restore the steps to the original wood or to use limestone slabs on the front steps with a brick base, to replace the windows with wood windows or wood-encased windows of the same size, with the same number and size panes or lights (one over one), to use inside storm windows, not exterior storm windows, and otherwise to follow the Design Guidelines adopted by City Council in the restoration of this large, beautiful home. These will be conditions of the approval herein, to which the Applicant agreed.

II. CONCLUSIONS OF LAW

- A. The Commission first finds that the Applicant has demonstrated by virtue of the Application and accompanying materials and photographs of the before and after emergency repairs, that the property's exterior will be restored and/or repairs using like kind materials, design and spacing, all in accordance with the Design Guidelines, and that doing so will not impair the historic significance of the district, will not encroach upon nearby properties within the historic district, and will not cause substantial detriment to the public good and will not substantially impair the intent and the purpose of the zone plan and zoning ordinance.
- B. Therefore, a Certificate of Appropriateness is appropriate to issue under the Historic Preservation Commission ordinance and the development ordinance of the City of Orange Township, recited above, the Master Plan Historic Preservation Element, and the Municipal Land Use Law (MLUL). The Commission concludes that the benefits of granting the Certificate of Appropriateness substantially outweigh any detriments.
- C. Therefore, it is appropriate and that the Historic Preservation Commission hereby APPROVES the issuance of a CERTIFICATE OF APPROPRIATENESS to the Applicant.
- D. This is not a zoning use approval. The Commission expresses no opinion and has made no determination about the suitability or legality of the property as a three family residence, a use to which it was apparently put previously.

III. CONDITIONS OF APPROVAL

- A. **AS A CONDITION OF THIS APPROVAL, THE CONSTRUCTION MUST PROCEED IN STRICT COMPLIANCE WITH THE PLANS AND/OR REPRESENTATIONS MADE IN THE TESTIMONY SUBMITTED, AS THOSE PLANS AND THE REPRESENTATIONS MADE BY THE APPLICANT IN HIS, HER OR ITS TESTIMONY ARE WHAT IS APPROVED BY THE COMMISSION. SHOULD ANY CHANGE BE MADE INCONSISTENT WITH THE PLANS OR TESTIMONY, THE APPLICANT MUST RETURN TO THE HISTORIC PRESERVATION COMMISSION FOR AN AMENDED CERTIFICATE OF APPROPRIATENESS. "FIELD ADJUSTMENTS" THAT RESULT IN ANY SIGNIFICANT CHANGE WILL NOT BE TOLERATED AND A STOP WORK ORDER WILL ISSUE, NECESSITATING A RETURN APPEARANCE BEFORE THE COMMISSION AT THE FOLLOWING MONTHLY MEETING. ANY DELAY OR DELAY DAMAGES ASSERTED BY THE CONTRACTOR OR OTHERS WILL BE STRICTLY THE FAULT OF THE OWNER, APPLICANT AND/OR CONTRACTOR FOR NOT PROPERLY EXECUTING THE PLANS OR ABIDING THE TESTIMONY SUBMITTED WHICH RESULTED IN THIS APPROVAL.**

- B. PLANS: All revisions to the Application as described and the papers submitted, including plans and drawings (if any) after the first submission must be properly identified on subsequent submissions and submitted for review and become part of the file for this property at the City of Orange Township.
- C. UTILITIES, PROTECT ADJACENT CONSTRUCTION, AND INHABITANTS/NEIGHBORS: Comply with all applicable requirements of governing authorities including, but not limited to, public utilities (provide mark-out and 24 hour notification of any discontinuity of utility services with owner). Provide temporary facilities, service utilities, and protection as required to safely execute all work.
- D. CONSTRUCTION DEBRIS: Contractor shall be responsible to remove and legally dispose of all materials from the job site. A permit may be required to place a unit for storage of debris at the job site or in the street. This is the Applicant's responsibility to obtain.
- E. PLANS AND DRAWINGS: The contractor shall prepare and maintain a complete set of record construction drawings (if any) indicating all actual work, modification and revisions to the work delineated on the construction drawings as well as any concealed construction work. Include any other information which would be helpful to the owner, at the site.
- F. SUBSTANTIAL COMPLETION: At project closeout, contractor shall procure final certificate of occupancy upon completion of the project and forward same to the owner. Contractor shall clean premises, test applicable systems, and leave ready for occupancy.
- G. PERMITS: The Applicant shall be responsible for obtaining and paying for all the required permits, inspections, etc.
- H. PROJECT COMPLETION: Upon FULL completion of the project, architect and/or contractor to submit certificate of occupancy or continued certificate of occupancy approved by the Building Department to the owner.
- I. CODE AND STANDARDS COMPLIANCE: All work, materials, and equipment shall meet the latest requirements of all applicable state & local building codes, regulations, the requirements of the authorities having jurisdiction, and the standards of the Secretary of Interior for Rehabilitation. Where applicable, comply with all requirements of the NJUCC Barrier Free Subcode and/or Americans With Disabilities Act (ADA).

NOW, THEREFORE, BE IT RESOLVED, by the City of Orange Township Historic Preservation Commission that the Application for a Certificate of Appropriateness for the work described in the Application and, including any photographs, is approved and granted subject to the foregoing conditions in Section II. A-I, hereof, and the following additional conditions, where applicable:

A note shall be added to the plans stating, "Any damage to the right of way including the sidewalk must be repaired / installed to equal standards."
