

THE CITY OF ORANGE TOWNSHIP HISTORIC PRESERVATION COMMISSION

DATE: NOVEMBER 29, 2017

NUMBER: 24-2017

TITLE: A RESOLUTION OF THE CITY OF ORANGE TOWNSHIP HISTORIC PRESERVATION COMMISSION GRANTING CERTIFICATE OF APPROPRIATENESS TO 252 STIRLING ASSOC., LLC, FOR BLOCK 6705, LOT 4 TO REPLACE ROOF AND SIDING

WHEREAS, 252 Stirling Associates, LLC (“Applicant”) has applied to the Historic Preservation Commission of the City of Orange Township for approval of a Certificate of Appropriateness for work to be done on the property located at 252 Stirling Avenue, Orange, New Jersey, and designated as Block 6705, Lot 4 on the Tax Map of the City of Orange Township; and

WHEREAS, the Application consisting of the Application itself signed by Henry Ehrman, together with four photographs of the existing conditions; and

WHEREAS, the Commission received and reviewed the Application and photographic attachments, as well as any memoranda from the Department of Public Works, Planner, Zoning Officer, Engineer, Construction Code Official, Fire Department, Police Department, and any appropriate division or officer thereof, and any other agencies and provided an opportunity for comments from the public and interested parties; and

WHEREAS, the Application was the subject of public notice by virtue of the publication of the agenda of the Historic Preservation Commission, and all members of the Commission voting on this resolution have attended the public hearing(s) or have certified that they have read the transcript(s) or listened to the tape(s) of the hearing pursuant to N.J.S.A. 40:55D-10.2; and

WHEREAS, the Commission reviewed the Application and photographs and any other submission of the Applicant and is granting approval in reliance upon the representations made in the application, plans, notes on the plans and testimony in the public presentation by the Applicant; and

WHEREAS, the Commission, after carefully considering the evidence submitted by the Applicant, its own professionals and City’s professional staff, and the general public, makes the following findings of fact and conclusions of law:

I. FINDINGS OF FACT

- A. The Applicant is 252 Stirling Assoc., LLC, whose member and representative is Henry Ehrman, who testified in favor of the Application, along with Paul Aliano, the contractor.
- B. The existing use of the property is a 2-family residential house which is a permitted use; the property lies in the Seven Oaks Historic District.
- C. Based upon the representations of the Applicant’s representative, Henry Ehrman, and the contractor Paul Aliano, the roof is actively leaking and the wood shakes are in poor condition, requiring replacement with like kind materials, and/or scraping and painting to restore the original wood shakes if the damage is not too bad.
- D. The Applicant proposed to replace the roof sheathing with asphalt shingles which the Commission allowed; the Applicant requested to replace the wood shakes with vinyl siding, which the Commission denied.

- E. The wood siding must be either repaired and restored where possible or replaced with wood shakes. The Applicant agreed to the condition if necessary to obtain the approval, which condition is necessary to the approval, in the Commission's view.

II. CONCLUSIONS OF LAW

- A. The Commission first finds that the Applicant has demonstrated by virtue of the Application and accompanying materials that the roof should be replaced with asphalt shingles, and the Applicant agreed to scrape, paint and repair the existing wood shakes as cladding for the sides of the structure, or to replace the shakes with wood shakes.
- B. With that change to the Application, with which the Applicant agreed, the Commission found that the improvements will not impair the historic significance of the district, will not encroach upon nearby properties within the historic district, and will not cause substantial detriment to the public good and will not substantially impair the intent and the purpose of the zone plan and zoning ordinance.
- C. The Commission further finds that the benefits of granting the Certificate of Appropriateness substantially outweigh any detriments.
- D. A Certificate of Appropriateness is appropriate to issue for this Application as presented with the change and imposition of the condition for repair or replacement of the wood shakes with wood shakes instead of vinyl siding, under the Historic Preservation Commission ordinance and the land use and development ordinance of the City of Orange Township, as the project as revised is consistent with the Master Plan Historic Preservation Element, and the Municipal Land Use Law (MLUL).
- E. Therefore, it is appropriate and that the Historic Preservation Commission hereby APPROVES the issuance of a CERTIFICATE OF APPROPRIATENESS to the Applicant based upon the agreed upon conditions.

III. CONDITIONS OF APPROVAL

- A. **AS A CONDITION OF THIS APPROVAL, THE CONSTRUCTION MUST PROCEED IN STRICT COMPLIANCE WITH THE PLANS AND/OR REPRESENTATIONS MADE IN THE TESTIMONY SUBMITTED, AS THOSE PLANS AND THE REPRESENTATIONS MADE BY THE APPLICANT IN HIS, HER OR ITS TESTIMONY ARE WHAT IS APPROVED BY THE COMMISSION. SHOULD ANY CHANGE BE MADE INCONSISTENT WITH THE PLANS OR TESTIMONY, THE APPLICANT MUST RETURN TO THE HISTORIC PRESERVATION COMMISSION FOR AN AMENDED CERTIFICATE OF APPROPRIATENESS. "FIELD ADJUSTMENTS" THAT RESULT IN ANY SIGNIFICANT CHANGE WILL NOT BE TOLERATED AND A STOP WORK ORDER WILL ISSUE, NECESSITATING A RETURN APPEARANCE BEFORE THE COMMISSION AT THE FOLLOWING MONTHLY MEETING. ANY DELAY OR DELAY DAMAGES ASSERTED BY THE CONTRACTOR OR OTHERS WILL BE STRICTLY THE FAULT OF THE OWNER, APPLICANT AND/OR CONTRACTOR FOR NOT PROPERLY EXECUTING THE PLANS OR ABIDING THE TESTIMONY SUBMITTED WHICH RESULTED IN THIS APPROVAL.**
- B. PLANS: All revisions to the Application as described and the papers submitted, including plans and drawings (if any) after the first submission must be properly identified on subsequent submissions and submitted for review and become part of the file for this property at the City of Orange Township.

- C. UTILITIES, PROTECT ADJACENT CONSTRUCTION, AND INHABITANTS/NEIGHBORS: Comply with all applicable requirements of governing authorities including, but not limited to, public utilities (provide mark-out and 24 hour notification of any discontinuity of utility services with owner). Provide temporary facilities, service utilities, and protection as required to safely execute all work.
- D. CONSTRUCTION DEBRIS: Contractor shall be responsible to remove and legally dispose of all materials from the job site. A permit may be required to place a unit for storage of debris at the job site or in the street. This is the Applicant's responsibility to obtain.
- E. PLANS AND DRAWINGS: The contractor shall prepare and maintain a complete set of record construction drawings (if any) indicating all actual work, modification and revisions to the work delineated on the construction drawings as well as any concealed construction work. Include any other information which would be helpful to the owner, at the site.
- F. SUBSTANTIAL COMPLETION: At project closeout, contractor shall procure final certificate of occupancy upon completion of the project and forward same to the owner. Contractor shall clean premises, test applicable systems, and leave ready for occupancy.
- G. PERMITS: The Applicant shall be responsible for obtaining and paying for all the required permits, inspections, etc.
- H. PROJECT COMPLETION: Upon FULL completion of the project, architect and/or contractor to submit certificate of occupancy or continued certificate of occupancy approved by the Building Department to the owner.
- I. CODE AND STANDARDS COMPLIANCE: All work, materials, and equipment shall meet the latest requirements of all applicable state & local building codes, regulations, the requirements of the authorities having jurisdiction, and the standards of the Secretary of Interior for Rehabilitation. Where applicable, comply with all requirements of the NJUCC Barrier Free Subcode and/or Americans With Disabilities Act (ADA).
