		Core Competencies		
1	Yes	Does your municipality maintain an up-to-date municipal website containing at minimum the following: past three years adopted budgets; the current year's proposed budget (including the full adopted budget for the current year when approved by the governing body); most recent annual financial statement and audits; notification(s) for solicitation of bids and RFPs; and meeting dates, minutes and agendas for the governing body, planning board, board of adjustment and all commissions?		
2	Prospective	Has your municipality filed a copy of all current shared service agreements and amendments thereto, for which it provides a shared service, along with the estimated savings for each party, with the Division as required by N.J.S.A. 40A:65-4b (excluding cooperative purchasing agreements governed by the Local Public Contracts Law)?	The city has a shared service agreement with Belleville but no report of estimated savings been filed with the division. However, it was included in the CY 2018 budget.	
3	Yes	If a final judgment has been entered against the municipality in a legal matter such as a tax appeal, tort claim, or contractual dispute, and there is no further adjudication, or if the municipality reached a final settlement of a legal matter in the past year, has your municipality satisfied its obligations under the final judgment or settlement in a timely fashion pursuant to its terms? This question cannot be answered "Yes" if your municipality has satisfied a judgment or settlement but additional interest and/or other penalties have been imposed for noncompliance with its terms. This question does not apply to claims adjudicated or settled by the municipality's JIF or insurance carrier.		
4	Yes	The Local Government Ethics Law, designed to ensure transparency in government, requires local government officers to file Financial Disclosure Forms. Compliance by local elected officials is particularly important. <u>Have all of your local elected officials filed their Financial Disclosure Form in 2018 that covers the 2017 calendar year?</u>

A Director's Ratio of lower than 85 percent generally reflects inequitable assessments and the need for revaluation. N.J.A.C. 18:12A-1.14. If the ratio of assessed values to market values in your municipality is presently less than 85%, has your municipality retained an assessor, issued an RFP for revaluation services, or voted to conduct a revaluation within the next two years?	Orange ratio for 2017 was 87.91%	
15	N/A	Effective for CY2017/SFY2018 and CY2018/SFY2019 municipal budgets, the annual maximum contribution a municipality can appropriate for use by its volunteer fire companies or board of fire commissioners pursuant to N.J.S.A. 40A:14-34 is \$150,750. In any municipality where there are more than three volunteer fire companies or fire districts, the governing body may appropriate an additional \$50,000 annually for each additional volunteer company or fire district. At least 50% of the municipality's annual appropriation must be used by a volunteer fire company or board of fire commissioners for the purchase of fire equipment, materials and supplies. N.J.S.A. 40A:14-34 requires the volunteer fire company or fire district to provide the municipal governing body, on an annual basis, an accounting of the use of all municipal funds. See Local Finance Notice 2017-6R for further details. Is your municipality obtaining from each volunteer fire company or fire district an accounting of the use of all municipal funds? 40	Yes	While the issuance and renewal of bond anticipation notes can be a reasonable and prudent financing mechanism, failing to take advantage of low interest rates on permanent financing can cause municipalities to incur unnecessary carrying and issuing costs. Has your municipality evaluated its outstanding bond anticipation notes and developed a strategy to move toward permanent financing?	Should be discussed	
41	Prospective	Local Finance Notice 2018-13 discusses the Local Finance Board's recent adoption of regulations permitting all local units, county colleges, and school district boards of education/boards of trustees to use standard electronic funds transfer (EFT) technologies for payments. Has your municipality's chief financial officer and head procurement official reviewed this Notice with the governing body to determine where the use of electronic payment methods could benefit the municipality?		
42	Prospective	Has your municipality assessed whether the Local Finance Board's adopted EFT regulations require changes in the municipality's current claims payment procedures as pertain to electronic payment methods?		
43	Yes	Does your municipality have a professional or professionals capable of evaluating and recommending PILOTs assess the utility and value of a PILOT before formalizing negotiations and entering into a PILOT agreement?		
44	Prospective	Other states such as California and Florida have enacted Property Assessed Clean Energy (PACE) legislation that authorizes municipalities to establish programs for public or private financing of energy, water and storm resilience projects through the use of voluntary special assessments for certain property owners. There is currently a bill pending before the New Jersey Legislature, S-1611, that would authorize these PACE programs in New Jersey. Is this something that your municipality would take advantage of?		
45	No	Does your municipality have a professional planner on staff?		
46	Yes	The New Jersey Infrastructure Bank (NJIB, formerly NJEIT) offers low-cost financing to local governments to reduce the cost of transportation and environmental infrastructure projects. If your municipality will require financing for such projects, will it consider financing through NJIB?
