FINANCIAL AGREEMENT

(N.J.S.A. 40A:20-1 et seq. and N.J.S.A. 40A:12A-64 et seq.)

| This FINANCIAL AGREEMENT (hereinafter, this "Financial Agreement") |
|---|
| made thisday of, 2020 by and between PEEK Reock I |
| Owner Urban Renewal, LLC, a New Jersey Limited Liability Corporation qualified to do |
| business under the provisions of the Long Term Tax Exemption Law, N.J.S.A. 40A: 20-1 |
| et seq. (the "LTTE Law"), having its principal office at c/o PEEK Properties, 59 Main |
| Street, Suite 203, West Orange, New Jersey 07052 (hereinafter referred to as the |
| "Entity"), and the City of Orange Township, a Municipal Corporation in the County of |
| Essex and the State of New Jersey, having offices at City Hall, 29 North Day Street, |
| Orange, New Jersey 07050 (hereinafter referred to as the "City"). |

WITNESSETH:

WHEREAS, the governing body of the City (the "City Council") has previously determined that certain properties (collectively, the "Redevelopment Area") are an area in need of redevelopment under the Local Redevelopment and Housing Law, N.J.S.A. 40A:12A-1 et seq. (the "Redevelopment Law"); and

WHEREAS, the City has previously adopted one or more redevelopment plans (collectively, and as may be further amended from time to time, in accordance with the Redevelopment Law, the "Redevelopment Plan") to govern the redevelopment of the properties located within the Redevelopment Area; and

WHEREAS, as described more fully within the application for long term tax exemption submitted by the Entity (a copy of which is attached hereto as Exhibit A) (the

"Application"), the Entity has proposed to undertake a redevelopment project on that portion of the Redevelopment Area identified on the City's official tax map as Tax Block 2804, Lots 1, 2, 9, 10 and 11, more commonly known by the street address of 258-276 Reock Street, Orange, New Jersey (the "Land"), consisting of the construction of a 6-story, 50-unit multi-family residential rental apartment building with 40 on-site parking spaces provided on the ground floor, and other related improvements (collectively, the "Project"); and

WHEREAS, the Project includes the construction of such reasonably necessary infrastructure improvements along the frontage of the Project and Land that are caused and necessitated as a result of the construction of the Project, including but not limited to curb replacements, street resurfacing, sidewalks, street lighting, landscaping, crosswalks and similar improvements consistent with the Entity's approved site plan, to be determined in consultation with the City Planner (collectively, the "Infrastructure Improvements"); and

WHEREAS, by resolution adopted on June 16, 2020, the City has heretofore authorized the execution and delivery of a Redevelopment Agreement with the Entity (the "Redevelopment Agreement"), in order to fully set forth the understanding of the City and the Entity with respect to the construction and development of the Project; and

WHEREAS, in order to defray certain eligible costs of the portion of the Project comprising the Infrastructure Improvements, the City expects to issue its general obligation bonds and/or notes in one or more series in an aggregate principal amount not to exceed \$200,000 (collectively, the "Bonds") pursuant to the Redevelopment Area

Bond Financing Law, N.J.S.A. 40A:12A-64 et seq. (the "RAB Law"), and/or the Local Bond Law, N.J.S.A. 40A:2-1 et seq., as applicable; and

WHEREAS, in the Redevelopment Agreement the City has agreed to issue the Bonds following the effectiveness of the related bond ordinance and receipt of any necessary governmental approvals; and

WHEREAS, the Entity has obtained preliminary and final site plan approval for the Project from the City Planning Board on November 26, 2019, as memorialized in a resolution of the City Planning Board adopted on December 19, 2019; and

WHEREAS, the Project will conform to the Redevelopment Plan and all applicable municipal zoning ordinances, to the extent it contains provisions that are relevant to the Project, and will be in conformation with the master plan of the City; and

WHEREAS, the City Council has reviewed the Application and has made the following findings:

- A. Relative Benefits of the Project when Compared to Costs:
- (i) The granting of the long term tax exemption provided herein will permit the development of market rate residential units and on-site parking on the Property which would not be developed but for the granting of the exemption provided herein and will also create both temporary construction and permanent jobs which will benefit the community. Thus, the City Council finds that this substantial public benefit outweighs the difference between the unabated tax amount and the amount that the Entity will be required to pay hereunder.
- B. Assessment of the Importance of the Tax Exemption in Developing the Project and Influencing the Locational Decisions of Potential Occupants:

- (i) This long term tax exemption represents a logical and economical method of attracting residents who will utilize retail/commercial operations which are vital to the City and the community because but for the provision of this financial incentive and the subsidy provided thereby, the development of residential rental housing units would not be possible and thus would not occur; and
- (ii) The relative stability and predictability of the Annual Service Charges will enhance the Entity's ability and opportunity to successfully construct, operate and maintain this Project, which in turn will ensure the likelihood of success over the life of the Project; and
- (iii) The long term tax exemption granted under this Financial Agreement is important to the City because without the incentive of the tax exemption granted under this Financial Agreement, it is unlikely that the Project would be undertaken and as such the goals and objectives of the Redevelopment Plan would go unfulfilled. The tax exemption is also expected to influence the locational decisions of potential occupants of the Project, and will be of benefit to the local businesses in the community and will foster the growth of additional off-site local business opportunities; and

WHEREAS, the parties hereto wish to set forth in detail their mutual rights and obligations with respect to the tax exemption applicable to this Project by entering into this Financial Agreement; and

WHEREAS, the RAB Law (specifically N.J.S.A. 40A:12A-66(a)) authorizes a municipality to dispense with the provisions requiring a minimum or maximum amount of service charge and requiring staged increase in the annual service charges where a

redevelopment project (such as the Project) is being financed with bonds under the RAB Law (such as the Bonds); and

WHEREAS, the City does hereby grant its approval for the Project as a redevelopment project to be developed and to be maintained upon the terms and conditions hereinafter set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants herein contained and for other good and valuable consideration, it is mutually covenanted and agreed as follows:

(c) Upon written notice from the City to the Entity or its successors and/or assigns and/or any subsequent purchasers that the tenant is not using good faith efforts to hire City residents and is not in compliance with the first source provisions of the lease, the Entity and its successors and/or assigns and/or any subsequent purchasers agree to enforce the lease provisions set forth within Section 2.3(b) above to ensure compliance by all lessees. The Entity and its successors and/or assigns and/or any subsequent purchasers also agree to include the terms of this Section 2.3 in any contract for sale or transfer of the Property or any structure constructed as part of the Project to any other person or entity and

to explicitly provide within such contract that these terms shall survive the closing and that the City shall be a third party beneficiary as to the enforcement of these terms.

for the Project, notwithstanding any other provision of this Financial Agreement to the contrary.

Section 2.5 Compliance and Reporting

The obligations contained in Sections 2.3 and 2.4 shall be binding on all contractors and subcontractors to the extent that any work is done by any contractor or subcontractor, and any contract entered into by the Entity (or any other person or entity) in respect of the construction of the Improvements shall so provide. The Entity covenants to enforce (and cause any other person or entity to enforce) its contracts with its contractors and subcontractors if such parties are not in compliance with Sections 2.3 and 2.4.

The Entity and its contractors and subcontractors shall submit monthly (or at less frequent intervals, not less than quarterly, if so directed by the Director) reports regarding their compliance with Sections 2.3 and 2.4 as the City may reasonably require. In addition to any other remedy provided under this Financial Agreement and any other remedy provided by law, the parties agree that the provisions of Sections 2.3 and 2.4 may be enforced by the City through specific enforcement.

Article III - Duration of Financial Agreement

Section 3.1 Term

So long as there is compliance with the Law and this Financial Agreement, and except as provided in Section 14.1 hereof, it is understood and agreed by the parties hereto that this Financial Agreement shall remain in effect for a term of thirty (30) years from the date of Substantial Completion of the Project (which shall be the start date of the tax abatement and the Annual Service Charge payments under this Financial Agreement) and shall continue in force only while said Project is owned by an urban renewal entity formed pursuant to the Law; provided, however, that in no case shall this Financial Agreement remain in effect longer than 35 years from the date of execution of this Financial Agreement. Upon expiration of the term of this tax exemption, (i) the tax exemption for the Project shall no longer be in effect and the Land and the Improvements thereon shall thereafter be assessed and taxed according to the general law applicable to other non-exempt property in the City and (ii) all restrictions and limitations upon the Entity outlined in this Financial Agreement shall terminate upon the Entity's rendering and the City's acceptance of the Entity's final accounting.

Section 3.2 Termination by Entity Not Permitted

Pursuant to N.J.S.A. 40A:12A-66, the provisions of N.J.S.A. 40A:20-13 permitting the relinquishment of tax-exemption status under the LTTE Law after the expiration of one (1) year from the project completion date, shall not apply to redevelopment projects (such as the Project) financed with bonds under the RAB Law (such as the Bonds). Accordingly, the Entity shall have no authority to voluntarily terminate this Financial Agreement.

Article IV - Annual Service Charge

Section 4.1 Annual Service Charge

- (a) The Annual Gross Revenue shall be calculated as set forth within N.J.S.A. 40A:20-3(a) and the definition thereof contained in Section 1.2 hereof.
- (b) All parking spaces on the Property will be exclusively for the use of the owners, tenants or occupants of the Property. If the Entity charges for the parking spaces on the Property, the Entity must report this as other revenue generated from the Project. All such parking revenues shall be included, without reduction for expenses, in Annual Gross Revenue for purposes of computing the Annual Service Charges under paragraph (c) below. In the event that the Entity seeks to lease the parking spaces on the Property to third parties other than the owners, tenants or occupants of the Property, the Entity must first notify the City in writing and must comply with all City ordinances and State laws regarding parking.
- (c) Pursuant to N.J.S.A. 40A:12A-66, the provisions of N.J.S.A. 40A:20-12 establishing a minimum or annual service charge and requiring staged increases in the annual service charge over the term of the exemption period shall not apply to

redevelopment projects financed with bonds under the RAB Law (such as the Bonds). The Infrastructure Improvements (which constitute a portion of the Project) will be financed by the Bonds.

- (d) The Annual Service Charge payable by the Entity to the City for each year shall consist of the sum of the Base Annual Service Charge and the RAB Annual Service Charge.
- (e) The Base Annual Service Charge payable by the Entity to the City for each year shall be as follows:
 - (i) During year one (1) through year fifteen (15) of the Financial Agreement, the Base Annual Service Charge shall be an amount equal to five percent (5%) of the Annual Gross Revenue generated from the Project;
 - (ii) During year sixteen (16) through year twenty (20) of the Financial Agreement, the Base Annual Service Charge shall be an amount equal to seven percent (7%) of the Annual Gross Revenue generated from the Project;
 - (iii) During year twenty-one (21) through year twenty-five (25) of the Financial Agreement, the Base Annual Service Charge shall be an amount equal to nine percent (9%) of the Annual Gross Revenue generated from the Project; and
 - (iv) During year twenty-six (26) through year thirty (30) of the Financial Agreement, the Base Annual Service Charge shall be an

amount equal to ten percent (10%) of the Annual Gross Revenue generated from the Project.

- (e) The RAB Annual Service Charge payable by the Entity to the City for each year shall be equal to the product of 1.05263 times the amount of debt service scheduled to be paid by the City during such year in respect of the Bonds. The City shall provide a debt service schedule to the Entity promptly following the issuance of the Bonds.
- (f) In no event shall the Annual Service Charge, excluding taxes on the Land, in any year after the Annual Service Charge Start Date be less than the Minimum Annual Service Charge. The parties agree that the Minimum Annual Service Charge for the Project shall be \$16,295.79 pursuant to N.J.S.A. 40A:20-12(b). The Minimum Annual Service Charge shall not be reduced through any tax appeal on Land and/or Improvements during the period the Agreement is in force and effect; provided, however, that the foregoing shall not prohibit the Entity from appealing land taxes applicable to the Land as may be then assessed at any time during the term of this Financial Agreement.

Section 4.2 Quarterly Installments

The Entity expressly agrees that the aforesaid Annual Service Charge(s) shall be made in quarterly installments on those dates when real estate tax payments are due; subject, nevertheless, to adjustment for over or underpayment within thirty (30) days after the close of each City fiscal year. In the event that the Entity fails to so pay, the amount unpaid shall bear the highest rate of interest permitted in the case of unpaid taxes or tax liens on the land until paid.

In the Application, the Entity has projected the following estimated amounts of Annual Gross Revenues for each year of operation (the "Projected AGR"):

| YEAR | AMOUNT | YEAR | AMOUNT | YEAR | AMOUNT |
|------|-------------|------|-------------|------|-------------|
| 1 | \$1,151,229 | 11 | \$1,547,156 | 21 | \$2,079,248 |

| 3 | 1,221,339 | 13 | 1,641,377 | 23 | 2,205,874 |
| 4 | 1,257,979 | 14 | 1,690,619 | 24 | 2,272,050 |
| 5 | 1,295,718 | 15 | 1,741,337 | 25 | 2,340,212 |
| 6 | 1,334,590 | 16 | 1,793,577 | 26 | 2,410,418 |
| 7 | 1,374,628 | 17 | 1,847,385 | 27 | 2,482,730 |

| 10 | 1,502,093 | 20 | 2,018,687 | 30 | 2,712,947 |

For each year, the quarterly installments of the Base Annual Service Charge shall be based on the Projected AGR, which amount shall be adjusted when the Auditor's Report is completed for such year. In the event of any such adjustment, (i) any surplus owing to the Entity as a result of an overpayment revealed by such calculation shall be credited against the next quarterly installment of Base Annual Service Charges payable by the Entity after the date such Auditor's Report is filed (provided, that if there are no future quarterly installments then the City shall retain such surplus amount), and (ii) any deficiency owing to the City as a result of an underpayment revealed by such calculation

shall be paid by the Entity to the City within thirty (30) days of the date such Auditor's Report is filed.

In the event the Auditor's Report for any such year is not timely filed by the Entity, the City may make the above-referenced calculations, which calculations shall be binding upon the Entity absent manifest error.

Section 4.3 Land Tax Credit

The Entity is obligated to make Land Tax Payments, notwithstanding any entitlement to a Land Tax Credit against the Annual Service Charge for the subsequent year. The Entity shall be entitled to a credit for the amount, without interest, of the Land Tax Payments paid by it in the last four preceding quarterly installments against the Annual Service Charge. The Entity's failure to make the requisite Annual Service Charge payment in a timely manner shall constitute a violation and breach of the Financial Agreement and the City shall, if such failure shall continue for greater than thirty (30) days following the date such quarterly Annual Service Charge installment is due, (i) render the Entity ineligible for any Land Tax credit in respect of such quarterly Annual Service Charge installment (which shall automatically result in an increase in the amount due on such quarterly Annual Service Charge installment), (ii) enable the City, among its other remedies, to proceed against the Property pursuant to the In Rem Tax Foreclosure Act, N.J.S.A. 54:5-1 et seq., and/or (iii) enable the City to cancel the Financial Agreement in a manner consistent with the provisions of Section 14.1 hereof. Any default arising out of the Entity's failure to pay Land Taxes and/or Annual Service Charges, shall not be subject to the default procedural remedies as provided in Section 5.1 of this Financial Agreement.

Section 4.4 Material Conditions

It is expressly agreed and understood that all Land Tax Payments, Annual Service Charges, including the methodology of computation, water and sewer charges, and any interest payments due, are material conditions of this Financial Agreement. If any other term, covenant or condition of this Financial Agreement or the Application, to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this agreement or the application of such term, covenant or condition to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term, covenant or condition of this Financial Agreement shall be valid and be enforced to the fullest extent permitted by law.

Section 4.5 City Administrative Charge

In addition to the Annual Service Charge, there will be a fee of 2% of the Annual Service Charge added to cover City administration costs.

Article V - Dispute Resolution

Section 5.1 Remedies

In the event of a breach of this Financial Agreement by either of the parties hereto or a dispute arising between the parties in reference to the terms and provisions as set forth herein, other than those items specifically included as material conditions herein, either party may apply to the Superior Court of New Jersey by an appropriate proceeding, to settle and resolve said dispute in such fashion as will tend to accomplish the purposes of the Law. In the event the Superior Court shall not entertain jurisdiction, then the parties shall submit the dispute to the American Arbitration Association in New Jersey to be determined in accordance with its expedited commercial rules and regulations in such

a fashion to accomplish the purpose of said Law. Costs for said arbitration shall be borne equally by the parties. In the event of a default on the part of the Entity, to pay the Annual Service Charge as defined in Article IV, above, the City among its other remedies, reserves the right to proceed against the Entity's land and premises, in the manner provided by N.J.S.A. 54:5-1 to 54:5-129, and any act supplementary or amendatory thereof. Whenever the word "Taxes" appear, or is applied, directly or implied to mean taxes or municipal liens on land, such statutory provisions shall be read, as far as is pertinent to this Financial Agreement, as if the Annual Service Charge were taxes or municipal liens on land. In such event, however, the Entity, whichever the case may be, does not waive any defense it may have to contest the right of the City to proceed in the above mentioned manner by conventional or In Rem Tax foreclosure.

<u>Article VI – Certificate of Occupancy</u>

Section 6.1 Certificate of Occupancy

It is understood and agreed that it shall be the obligation of the Entity to make application for and make all best efforts to obtain all Certificates of Occupancy in a timely manner, as identified in the Application. Failure on the part of the Entity to use all best efforts to secure and submit said Certificates of Occupancy in a timely manner shall constitute a default hereunder, which shall be subject to the provisions of Articles XIII and XIV hereof.

Section 6.2 Substantial Completion

The Annual Service Charge is to commence from the first day of the month following the Substantial Completion, as herein defined, of the Project or any phase(s) thereof if the Project is undertaken in phases (the "Annual Service Charge Start Date").

The phrase "Substantial Completion" denotes the issuance, by the City's Construction Official, of any valid Certificate of Occupancy of all, or a substantial part of, the Project's structure.

Section 6.3 Filing of Certificate of Occupancy

It shall be the primary responsibility of the Entity to forthwith file with the Tax Assessor, the Tax Collector and the Chief Financial Officer of the City a copy of such certificate.

Failure of the Entity to file such issued Certificate of Occupancy as required by the preceding paragraph, shall not militate against any action or non action, taken by the City's Tax Assessor in the absence of such filing by the Entity.

The estimated cost basis disclosed in the Application may at the option of the City's Construction Official be used as the basis for construction cost in the issuance of the building permit(s).

Article VII - Annual Audits

Section 7.1 Accounting System

The Entity agrees to maintain a system of accounting and internal controls established and administered in accordance with generally accepted accounting principles and as otherwise prescribed in the Law during the term of the tax exemption.

Section 7.2 Periodic Reports

Within ninety (90) days after the close of each fiscal or calendar year, depending on the Entity's accounting basis, that this Financial Agreement shall continue in effect, the Entity shall submit its Auditor's Report certified by a certified public accountant for the preceding fiscal or calendar year to the City, to the attention of the City's Chief

Financial Officer, and the City Clerk, who shall advise those municipal officials required to be advised, and to the Director of the Division of Local Government Services in the Department of Community Affairs N.J.S.A. 40A:20-9(d). Said Auditor's Report shall include, but not be limited to the following:

Rental schedule of the Project, and the terms and interest rate on any mortgage(s) associated with the Project and such details as may relate to the financial affairs of the Entity and to its operation and performance hereunder, pursuant to the Law and this Financial Agreement.

After full completion of the Project (as opposed to Substantial Completion), the Entity agrees to submit a Total Project Cost audit certified by a Certified Public Accountant within ninety (90) days after full completion of the Project.

Section 7.3 Inspection

The Entity shall, upon request by the City, permit the inspection of property, equipment, buildings and other facilities of the Project. It also shall permit, upon request, examination and audit of its books, contracts, records, documents and papers by representatives duly authorized by the City. Such inspection, examination or audit shall be made during the reasonable hours of the business day, in the presence of any officer or agent of the Entity.

Section 7.4 Limitation of Profits and Reserves

During the period of tax exemption as provided herein, the Entity shall be subject to limitation of its profits payable by it pursuant to the provisions of N.J.S.A. 40A:20-15.

The Entity shall have the right to establish a reserve against unpaid rentals, reasonable contingencies and/or vacancies in an amount not exceeding ten (10%) percent

of the Annual Gross Revenue of the Entity for the last full fiscal year preceding the year in which a determination is being made with respect to permitted Net Profits and may retain part of the excess Net Profits as is necessary to eliminate a deficiency in that reserve, as provided in N.J.S.A. 40A:20-15, said reserve to be noncumulative, it being intended that no further credits thereto shall be permitted after the reserve shall have attained the allowable level of ten (10%) percent of the preceding year's Annual Gross Revenue as aforesaid.

Section 7.5 Payment of Dividend and Excess Profit Charge

In the event the Net Profits of the Entity, as provided in N.J.S.A. 40A:20-15, shall exceed the Allowable Net Profits for such period, then the Entity shall, within ninety (90) days after the end of such fiscal year, pay such excess profit to the City as an additional service charge; provided, however, that the Entity may maintain a reserve as determined pursuant to aforementioned Section 7.4.

Article VIII - Assignment and/or Assumption

Section 8.1 Approval

Any change made in the ownership of the Project, or any other change that would materially affect the terms of this Financial Agreement, shall be void unless approved by the City. As permitted by N.J.S.A. 40A:20-10, it is understood and agreed that the City, on written application by the Entity, will not unreasonably withhold its consent to the sale of the Project (but not a portion thereof) and the transfer of this Financial Agreement to another urban renewal entity, provided that (a) if such sale and transfer is to occur prior to Substantial Completion, the transferee urban renewal entity shall have demonstrated to the reasonable satisfaction of the City that it possesses the experience and capitalization

necessary to complete and operate the Project, which determination by the City shall not be unreasonably withheld, conditioned or delayed; (b) the transferee urban renewal entity does not own any other project subject to long term tax exemption at the time of transfer; (c) the transferee urban renewal entity is formed and eligible to operate under the Law; (d) the Entity is not then in Default of this Financial Agreement or in violation of the Law; (e) the Entity's obligations under this Financial Agreement is fully assumed by the transferee urban renewal entity; and (f) the transferee urban renewal entity abides by all terms and conditions of this Financial Agreement. Any such consent shall be conditioned upon payment of an application fee equal to two percent (2%) of the Annual Service Charge.

Section 8.2 Operation of Project

The Project shall be operated in accordance with the provisions of the Law, as currently amended and/or supplemented. Operation of the Project under this Financial Agreement shall not only be terminable as provided by the Law, but also by a material breach of this Financial Agreement.

Section 8.3 Termination

The Entity hereby agrees at all times prior to the expiration or termination of this Financial Agreement to remain bound by the provisions of the Law. It is an express condition of the granting of this tax exemption that during its duration, the Entity shall not, without the prior consent of the Municipal Council, convey, mortgage or transfer, all or part of the Project so as to sever, disconnect, or divide the Improvements from the Land which are basic to, embraced in, or underlying the exempted Improvements.

The Entity hereby agrees at all times prior to the expiration or termination of this Financial Agreement to remain bound by the provisions of Federal and State Statutes and Municipal Ordinances and Regulations including, but not limited to, the Law. The Entity's failure to comply with such statutes or Ordinances shall constitute a violation

and breach of the Financial Agreement and the City shall, among its other remedies, have the right to terminate said tax exemption in accordance with the provisions of Articles XIII and XIV hereof.

Article XI - Construction

Section 11.1 Construction

This Financial Agreement shall be construed and enforced in accordance with the laws of the State of New Jersey, and without regard to or aid of any presumption or other rule requiring construction against the party drawing or causing this Financial Agreement to be drawn since counsel for both the Entity and the City have combined in their review and approval of same.

Article XII - Indemnification

Section 12.1 Defined

It is understood and agreed that in the event the City shall be named as party defendant in any action brought against the Entity by reason of any breach, default or a violation of any of the provisions of this Financial Agreement and/or the provisions of the Law, the Entity shall indemnify and hold the City harmless, and the Entity agrees to defend the suit at its own expense. However, the City maintains the right to intervene as a party thereto, to which intervention the Entity consents, the expense thereof to be borne by the Entity.

All of the remedies provided in this agreement to the City, and all rights and remedies granted to it by law and equity shall be cumulative and concurrent. No determination of any provision within this Financial Agreement shall deprive the City of any of its remedies or actions against the Entity because of its failure to pay land taxes, the Annual Service Charge, and/or the water and

sewer charges and interest payments. This right shall apply to arrearages that are due and owing at the time, and the bringing of any action for land taxes and Annual Service Charges, or other charges, or for breach of covenant or the resort of any other remedy herein provided for the recovery of land taxes, Annual Service Charges, and water and sewer charges, or other charges shall not be construed as a waiver of the right to terminate said tax exemption and/or proceed with In Rem Foreclosure action or any other remedy.

In the event the Entity fails to cure or remedy such default or material breach within the time period provided in Section 13.2, the City may cancel this Financial Agreement upon thirty (30) days notice to the Entity and all lenders of record, which may be nullified upon a cure of the subject default by or on behalf of the Entity. For purposes of rendering a final financial accounting the termination of the agreement shall be deemed to be the end of the fiscal year for the Entity. The Entity shall within ninety (90) days after the date of such termination pay to the City a sum equal to the amount of the reserves, if any, maintained pursuant to N.J.S.A. 40A:20-13 and 15. Upon such termination of the Project, all affected parcels and all improvements made thereto shall be assessed and subject to taxation as are all other taxable properties within the City.

Section 14.2 Final Accounting

Upon any termination of such exemption, whether by affirmative action of the Entity or by virtue of the provisions of the Law, or pursuant to the terms of this Financial Agreement, the date of such termination shall be deemed to be the end of the fiscal year

It is further provided that at the end of the period of tax exemption granted hereunder, the Land and Improvements shall be assessed and taxed according to general law like other property in the City. Explanation of the Need for Tax Abatement

A 30-year 5% long term tax abatement is an essential part of the proposed development. Without the requested abatement, the high cost of construction and currently projected low market rents, the real estate taxes for the project would create a significant financing gap. Based on the Applicant's analysis, the project is clearly economically unfeasible without the requested abatement.

The Applicant reserves the right to supplement this response as may be necessary and required.

Project Schedule

The project is to be straightforwardly constructed and completed in a single phase. Construction is contemplated to begin in Spring 2020 and be completed within 14 months thereafter.

Summary of Project Benefits

The project will advance many of the core objectives of the Reock Street Redevelopment Plan and will transform and improve currently vacant land and a dilapidated autobody shop into modern and safe residential housing.

As stated in the Reock Street Redevelopment Plan, this project meets several goals including:

- 1. To encourage the formal designation, preservation and adaptive reuse of historic structures and sites, to contribute to the character and history of the Area.
- 2. To provide for the development of a variety of high quality, well-designed housing types and commercial establishments, to provide a range of housing choices for a broad range of incomes.
- 3. To encourage the appropriate and orderly development of the vacant land within the Area, in keeping with the intent and purpose of this plan.
- 4. To promote the reuse and appropriate redevelopment of existing sites containing underutilized or aging facilities, which, in their present form, no longer meet the needs of the community and no longer contribution in a meaningful way to health and vitality of the Area.

The proposed development of 50 market rate residential apartment units is directly consistent with the Plan's objectives.
