#### Notes

- If authorization of bonds or notes is permitted by an exception to the debt limit, specify the particular paragraph of N.J.S.A. 40A:2-7 or other section of
- law providing such exception.

  This form is also to be used in the bonding of separate (not Type I) school districts as required by N.J.S.A. 18A:24-16, and filed before the school district election. In such case pages 3 and 4 should be completed to set forth the computation supporting any deduction in line 3 above.

  Only the account of bonds or notes about to be authorized should be entered. The amount of the "down payment" provided in the bond ordinance should not be included nor shown as a deduction. В
