**Resolution 317-2021 SUEZ Water**

1. Why was this resolution omitted from the June 15, 2021 Agenda?
2. Prior to July 1, 2018, who was the supervisor of Orange's water/sewer utility and wells?
3. What are the final terms of the EO amended water supply contract?

**Resolution 318-2021 Closed Session**

4. With respect to the closed litigation executive session, please consider the terms of the global long term tax exemption settlement negotiated by Attorney Feld with BA Hartwyk and former City Attorney Pennington, but rejected by the mayor upon the advice of special outside defense counsel as well as all post July 1, 2018 events, including but not limited to RPM long term tax exemption settlements, the November 18, 2020 long term tax exemption handbook issued by the State as well as post January 1, 2020 federal indictments and guilty pleas.
