Ordinance 28-2022

1. Based upon statements made to the Local Finance Board on May 11, 2022, what will be the utility rate increase for the two proposed qualified municipal water/sewer bond issuances, how much annual State Aid will be pledged as collateral for the bond issuances and how much annual State Aid will remain available for other purposes?
2. Prior to July 1, 2018, who was in charge of our water/sewer utility?
3. When did Orange's local governing body know or should have known of the water/sewer violations and the risk of a potential \$55,800 per day per violation penalty?
4. When were the terms of the Water/Sewer Utility Administrative Compliance Order disclosed and explained to the public?
5. What are the total projected water/sewer utility administrative compliance order costs?
6. Who dropped the water/sewer utility health and safety compliance ball here?
