**Re: City of Orange Township
Scope of Service and Cost Proposal for Contract Administration & Construction
Observation Services for the PY 47 CDBG Resurfacing of Ward Street
M2022-116**

Dear Mr. Mayes:

As you are aware the City of Orange previously authorized Remington & Vernick Engineers (RVE) to complete the design, advertisement, and bidding support services for the above referenced project per RVE's Proposal No. M2020-251R. A copy this proposal has been attached for your convenience.

On May 24, 2022, the City received bids for the above referenced project. Our office has reviewed the bids and has provided a Recommendation to Award under a separate cover.

Remington & Vernick Engineers is pleased to provide the following scope of services and associated cost proposal for contract administration and construction observation services for the "PY 47 CDBG Resurfacing of Ward Street" project.

Work efforts shall include, but are not necessarily limited to, the following major tasks based on an anticipated sixty (60) day contract completion time:

- Prepare and/or coordinate the execution and distribution of the construction contract documents to the successful bidder, and the City.
- Coordinate and conduct the pre-construction meeting and prepare and distribute meeting minutes.
- Issue the Notice to Proceed, review construction schedule, and review of all required shop drawings and submittals.
- Perform field observation/inspection services on a part-time basis. RVE will provide qualified construction observers during normal working hours, during critical aspects of construction.
- Review, prepare, and submit payment recommendations for the contractor to the City.

SPECIFIC EXCLUSIONS

The following work items are specifically excluded:

- Contract administration & construction observation services required in excess of the estimated sixty (60) calendar day contract time.

Scope of Service and Cost Proposal for the
PY' 47 CDBG Resurfacing of Ward Street REVISED
M2020-251R**

Dear Mr. Mayes:

REMINGTON & VERNICK ENGINEERS (RVE) is pleased to provide the following scope of services and associated cost proposal for the engineering, design, bid documents/specifications, contract administration, and construction observation services for the resurfacing of Ward Street (from Park Street to Hillyer Street)

The following four (4) phased approach will be utilized for the professional services associated with the project.

PHASE I: TOPOGRAPHIC SURVEY & BASE PLAN PREPARATION

RVE will prepare base plans utilizing field and topographic survey data. Our staff will perform all necessary field and topographic surveying tasks to accurately locate and identify all existing features along Ward Street within the project limits.

All field survey information will be obtained by collecting existing data utilizing an electronic total station instrument. Cross-sectional information will be obtained at fifty foot (50') intervals to adequately locate, describe, and obtain the vertical and horizontal characteristics for design purposes. This information will include:

- Top of curb, edge of pavement / gutter, sidewalk, and driveways.
- Storm inlet grates, manhole rims, sewer main vents and gas valve boxes. Inverts and as-built information will be obtained for any storm sewer systems that are visible.
- Above-ground utilities.
- Water main valve box and curb stop locations
- Street lights, signs, fences, mailboxes, and any other structure or feature within the right-of-ways.
- Location of all existing trees and shrubs within the right-of-ways.
- A survey baseline, horizontal and vertical control information will be established in the field, and included on the plans.

Base maps with plan and profile views will be prepared in Auto-Cad at a scale of 1"=30'.

PHASE II: PRELIMINARY ENGINEERING & DESIGN

This phase of the project will consist of the preparation and development of the proposed improvements, plans, specifications, bid documents, and engineer's estimate of cost to a point that will be approximately 95% complete.

Utility Organization/Agency Coordination

RVE will submit the base plan to local utilities to confirm the approximate location and type of all above and below ground utilities within the project limits. Additionally, the respective utilities will be notified of the City's intent to improve the road, and that they should check their proposed capital improvements or maintenance operation schedule to avoid disturbance of the area after the project is constructed.

RVE will coordinate with Federal, State, County, or Local Agencies that may need to be notified of the proposed improvements in which coordination/notification will be required.

Pavement Coring Services

RVE will perform pavement coring for the roadway to determine the existing thickness of the roadway to assist with pavement design.

Engineering & Design Standards

All designs will be in conformance with current standards.

Bid Documents & Specifications

RVE will provide all documents necessary for bidding in accordance with the standards of the City, utilizing the current NJDOT Standard Specifications for Road and Bridge Construction, with current supplemental specifications will be used.

A detailed Engineer's Estimate of cost for the project will be prepared and provided.

Plan Format/Layout

In general, the plans for the project may consist of the following pages:

- Title Page with Project Location Map.
- Standard Legend, General Notes & Estimate of Quantities.
- Construction Plan Sheet(s).
- Traffic Control Plan and Details.
- Construction Details.

Project Coordination with the City

RVE anticipates at least two (2) meetings in some instances for the purposes of project coordination, obtaining input, and design improvement comments.

Additionally, RVE will submit second utility notification and accompanying plans of the improvements to the utility organizations. This will give the utility organizations a second opportunity to check their proposed capital improvement plans or maintenance operation schedule to avoid disturbance of the site after construction.

Upon receipt of all comments from the City, RVE will make minor revisions to the plans, specifications, and bid documents as reasonably necessary and/or required.

PHASE III: FINAL DESIGN & ADVERTISEMENT/BIDDING SUPPORT

This phase consists of the incorporation of all minor comments and recommendations received from the Preliminary Engineering & Design Phase. The following tasks will be performed:

- Provide fifteen (15) sets of contract documents for bid purposes.
- Perform all work necessary to coordinate advertisement and bid receipt date with the City.
- Answer and respond to all prospective bidder questions during the advertisement period.
- Prepare written clarification and/or issue formal addendums as necessary.
- Attendance at bid opening, review bid submissions, prepare bid tabulation, and prepare recommendation of award.

PHASE IV: CONTRACT ADMINISTRATION & CONSTRUCTION OBSERVATION

This phase consists of the professional services and tasks required after the project is formally awarded by the City for the construction phase of the project. Work efforts during this phase shall include, but are not necessarily limited to, the following major work items/tasks based on an anticipated sixty (60) day contract completion time:

- Prepare and/or coordinate the execution and distribution of the construction contract documents to the successful bidder, and the City.
- Coordinate and conduct the pre-construction meeting and prepare and distribute meeting minutes.
- Issue the Notice to Proceed, review construction schedule, and review of all required shop drawings and submittals.
- Perform field observation/inspection services on a part-time basis. RVE will provide qualified construction observers during normal working hours, during critical aspects of construction.
- Review, prepare, and submit payment recommendations for the contractor to the City.

SPECIFIC EXCLUSIONS

The following work items are specifically excluded:

- Preparation of applications for review/regulatory agencies not specifically indicated.
- Application fees for review and/or permits from regulatory agencies.
- Right-of-way acquisition & construction easement documents.
- Testing of construction materials.
- Contract administration & construction observation services required in excess of the estimated sixty (60) calendar day contract time.

If unforeseen and/or unanticipated work items arise, our office can provide a separate scope of services & cost proposal for consideration and approval by the City.

COST OF SERVICES

The following is a summary of our time & material, not to exceed cost(s):

| | |
|--|---------------------|
| Phase I: Base Plan Preparation: | \$ 4,880.00 |
| Phase II: Preliminary Engineering & Design: | \$ 11,400.00 |
| Phase III: Final Design & Advertisement/Bidding Support: | \$ 2,680.00 |
| Phase IV: Contract Administration & Construction Observation: | \$ <u>13,915.00</u> |
| Total Professional Services Cost(s), Phases I through IV: | \$ 32,875.00 |

We look forward to working with the City of Orange Township on this project. Should you have any questions or concerns regarding this proposal, please do not hesitate to contact me at (201) 624-2137.

N.J.A.C. 17:27

GOODS, PROFESSIONAL SERVICE AND GENERAL SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union of the contractor's commitments under this chapter and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to make good faith efforts to meet targeted county employment goals established in accordance with N.J.A.C. 17:27-5.2.

The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, and labor unions, that it does not discriminate on the basis of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

In conforming with the targeted employment goals, the contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor shall submit to the public agency, after notification of award but prior to execution of a goods and services contract, one of the following three documents:

Letter of Federal Affirmative Action Plan Approval

Certificate of Employee Information Report

Employee Information Report Form AA302 (electronically provided by the Division and distributed to the public agency through the Division's website at www.state.nj.us/treasury/contract_compliance)

The contractor and its subcontractors shall furnish such reports or other documents to the Division of Public Contracts Equal Employment Opportunity Compliance as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Division of Public Contracts Equal Employment Opportunity Compliance for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code at N.J.A.C. 17:27.

7 List account number(s) here (optional)

8 Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN) if you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

9 Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part I, later.

General instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1099-A (home mortgage interest), 1099-E (student loan interest), 1099-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.
