JEHH

MEMORIAL FUND

Dear: Mayor Warren and City Council,

At the JEHH Memorial Fund our mission is to provide financial assistance, mentoring and opportunities for young people pursuing interest in sports, music, and the arts. One way of accomplishing our mission is to provide youth a place to play a sport they love or work towards fine tuning their skills. We would like to move forward with financially assisting the refurbishment of basketball courts at Colgate Park in Orange, NJ.

Through this venture, the JEHH MEMORIAL FUND will work alongside Steve Griggs Designs to bring the local community together and work on refurbishing the pre-identified courts, which will include the following. (Design vision is documented on attached renderings.)

- Signage at the court noting the donation made by JEHH Memorial Fund
- New court resurfacing and seating
- New rims and backboards complete with JEHH logo
- Financial support to be approved by JEHH prior to the project start

Through this partnership, we also propose the opportunity to have the refurbished courts include the JEHH logo and brand colors throughout the design. This would be a great chance to continue highlighting JEHH Memorial Fund and the good work the foundation does throughout the community.

To follow New Jersey's regulations, we seek clearance, in writing, to be able to move forward with this venture. This is an opportunity that JEHH Memorial Fund and our donors see as being valuable to many people. Your support in making this a reality would be greatly appreciated. We thank you in advance and are open to discussing more.
