**Re: City of Orange Township  
Recommendation for On-Street Handicapped Parking at 281 Ogden Street  
Block 4301, Lot 11  
RVE File No. 0717G009**

Dear Mr. Mayes:

At the request of the City, our office conducted a site investigation of the above-referenced location to determine the feasibility of installing an on-street handicapped parking stall. Our office conducted the investigation per *City Code Chapter 200-18.1 Handicapped Parking Spaces*. Below please find a summary of the City Code requirements and our findings:

City Code Requirement	Findings
Is parking prohibited in area?	No
Will the parking space interfere with normal traffic flow?	No
Will the number and/or nature of commercial establishments in the area make the parking stall burdensome or impracticable?	No
Will the existence of other restricted parking stall in the vicinity of the proposed parking stall create an unreasonable burden on residents?	No
Is there an existing handicapped parking stall within 300 feet of the proposed parking stall?	Yes

Our office also noted the following conditions during its site investigation:

- Property appears to be a multi-family residential dwelling.
- There is an existing handicapped parking stall located at 251 Ogden Street.
- There is shared driveway between 281 and 285 Ogden Street.

Based on our investigation, the above-referenced property does not meet the requirements of *City Code Chapter 200-18.1 Handicapped Parking Spaces*.

Should the City approve the application, our office recommends that the stall be constructed on the west curbline of Ogden Street directly in front of the property. Our office can provide technical guidance upon request.

Re: Linda Butler Kelly  
DOB: [REDACTED]

The above named patient is presently under my medical supervision for the treatment of multiple medical conditions. Due to the severity of these medical conditions the patient is physically unable to walk greater than 100 feet and she requires the use of assistive devices and person. It is medically necessary for this patient to have a residential handicap spot in front of her residence.

If there are any questions please contact my office.

RE: Handicapped Parking Sign Request; Linda Butler-Kelly

I am writing to request a Handicapped parking sign at my residence of **281 Ogden Street, Orange NJ**. As I have been a long-time resident of Orange (*Over 70 years*). Recently I have become reliant on using a walker and cane since having several surgeries, most recently a back surgery where my walking abilities are extremely limited. It would be a significant help to me if an assigned handicapped parking sign could be issued. The car that would be using this parking space is owned and registered by my daughter, Kellie Butler--as she is my main source of transportation to my medical appointments.

Having the ability, as much as possible to be parked in front of the house for my accessibility into the car would be highly advantageous to me. Thus, allowing me not to fall as frequently as I have been due to distance of parking.

I have attached all copies of the documents asked for. If further information is needed, please let us know.

Thanking you in advance for you anticipated consideration.

Best,

Linda Butler-Kelly

Kellie Butler
