4.4 Certificate Of Occupancy And Certificate Of Completion. The Redeveloper shall apply to the appropriate governmental officer or body for a Certificate of Occupancy when necessary and appropriate for the Property as required under Applicable Laws. Following the issuance of the Certificate of Occupancy for the Property, and the satisfaction of the terms and conditions of this Agreement with respect to the Project on the Property by Redeveloper, and upon receipt of a Notice of Completion from Redeveloper, the City agrees to issue a Certificate of Completion for the Property, in proper form for recording, which shall acknowledge that the Redeveloper has performed all of its duties and obligations for the Property under this Agreement and has completed construction of the Project on the Property in accordance with the requirements of this Agreement. Within thirty (30) Days after receipt of the Notice of Completion for the Property from the Redeveloper, the City provide the Redeveloper with the Certificate of Completion for that particular Property or with a written statement setting forth in detail the reasons why it believes that the Redeveloper has failed to complete the Project in accordance with the provisions of this Agreement or is otherwise in Default under this Agreement, and what reasonable measures or acts will be necessary in the opinion of the City in order for the Redeveloper to be entitled to the Certificate of Completion. When issued, the Certificate of Completion shall constitute a recordable, conclusive determination of the satisfaction and termination of the agreements and covenants (as limited herein) in this Agreement and the Redevelopment Plan with respect to the obligations of the Redeveloper to construct the Project on the Property. Unless otherwise required by a related Financial Agreement, Governmental Approval or Applicable Law, upon the issuance of the Certificate of Completion, the provisions of this Agreement shall no longer encumber the Property; provided, however, that any other documents theretofore delivered pursuant to this Agreement that by their terms are intended to survive Completion of Construction for the Property (including, without limitation and by of example only,

any Deed restrictions, the Declaration of Restrictions, tax abatement agreements, and the like) shall not be affected by delivery of the Certificate of Completion for the Property. Upon the issuance and recording of the Certificate of Completion, the conditions determined to exist at the time that the Property was determined to be an area in need of redevelopment shall be deemed to no longer exist with respect to the Property.

4.5 Estoppel Certificates (Prior To Issuance Of Certificate Of Completion). At any time and from time to time prior to the issuance of a Certificate of Completion for the Property, the City shall, within sixty (60) Days of its receipt of a written request by the Redeveloper or of any mortgagee, lender, purchaser, tenant or other party having an interest in the Project, execute and deliver to (a) the Redeveloper, or (b) a third party (e.g., a prospective lender, purchaser, investor, tenant, etc.) designated by the Redeveloper, an instrument in which the City (i) certifies that this Agreement is unmodified and in full force and effect as to the Project (excepting only modifications which shall be set forth), (ii) states whether to the best knowledge of the City the Redeveloper is in Default under this Agreement, and, if so, specifying each such Default of which the City shall have knowledge; and (iii) confirms such other factual matters within the City's knowledge or control pertinent to this Agreement, as the same relate to, or might affect, the Property. The Redeveloper shall not request and the City shall not be required to issue more than two (2) Estoppel Certificates in any calendar year.

(f) The Redeveloper's execution and delivery of this Agreement and its performance hereunder will not constitute a violation of any operating agreement of the Redeveloper or, to the Redeveloper's knowledge, any other agreement, mortgage, indenture, instrument or judgment to which the Redeveloper is a party.

(g) All information and statements included in any information submitted by the Redeveloper to the City and its agents (including but not limited to Gluck Walrath, LLP) are complete, true and accurate in all material respects. The City agrees to consider such request for a Financial Agreement in good faith on terms acceptable to the City, and any Financial Agreement shall be subject to the receipt of all Governmental Approvals required by the Applicable Laws. (b) This Agreement is duly executed by the City and is valid and legally binding upon the City and enforceable in accordance with its terms on the basis of Applicable Laws currently in effect and the execution and delivery thereof shall not, with due notice or the passage of time, constitute a Default under or violate the terms of any indenture, agreement or other instrument to which the City is a party.

(e) The party or parties signing the Agreement on behalf of the City is or are fully authorized to sign on behalf of the City and to bind it with respect thereto.

ARTICLE 7

COVENANTS AND RESTRICTIONS

7.1 Description Of Redeveloper's Covenants. The Redeveloper hereby covenants that it shall:

(a) in connection with its use or occupancy of the Project on the Property, not effect or execute any covenant, agreement, lease, conveyance or other instrument whereby the Property or the Project is restricted upon the basis of age, race, color, creed, religion, ancestry, national origin, sex or familial status, and the Redeveloper, its successors and assigns, shall comply with all

applicable laws prohibiting discrimination or segregation by reason of age, race, color, creed, religion, ancestry, national origin, sex or familial status.

(b) comply with the applicable provisions and public purposes of the LRHL and all obligations under this Agreement and shall at all times develop, design, finance, construct and operate the Project or cause the Project to be developed, designed, financed, constructed and operated pursuant to the conditions and requirements of Applicable Laws, Governmental Approvals, this Agreement and the Redevelopment Plan, provided however, that Redeveloper shall not be deemed to be in breach if the Redeveloper diligently contests, in good faith and by appropriate proceedings, such compliance with any of the aforesaid Applicable Laws. All uses to which the Project on the Property may be devoted are controlled by the Redevelopment Plan, the Governmental Approvals, Applicable Laws and this Redevelopment Agreement and under no circumstances can the Redeveloper undertake any construction or development of the Project for the Property not in accordance with the Redevelopment Plan, the Governmental Approvals, Applicable Laws and this Agreement.

(c) in order to effectuate the purposes of this Agreement, make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other persons, firms or entities and in general do all things which may be requisite or proper for the construction and development of the Project on the Property in accordance with the Redevelopment Agreement, the Redevelopment Plan, Governmental Approvals and Applicable Laws, provided however, that the Redeveloper shall not be deemed to be in breach of this covenant if the Redeveloper diligently contests, in good faith and by appropriate proceedings, such compliance with any of the aforesaid Applicable Laws.

(d) use diligent efforts to (i) obtain all Governmental Approvals requisite to the construction and development of the Project on the Property including evidence satisfactory to the City that the Redeveloper's use of the Project on the Property is in compliance with this Agreement, the Redevelopment Plan and all Applicable Laws, and (ii) ensure Completion of Construction of the Project within the time periods specified in the Construction Schedule, as may be modified or extended in accordance with the terms of this Agreement.

(e) use diligent efforts to obtain all Governmental Approvals authorizing the occupancy and uses of the Project for the purposes contemplated herein. The Redeveloper shall enter into such other agreements with respect to its development, financing, construction and management and operation of the Project containing such provisions as may be required by Applicable Law and such other provisions as may reasonably be requested by the City or as may reasonably be required by Governmental Approvals.

(f) except as otherwise permitted hereunder in the case of the occurrence of a Force Majeure Event, not suspend or discontinue the performance of its obligations under this Redevelopment Agreement (other than in the manner provided for herein) for any reason, including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, commercial frustration of purpose, or any damage to or destruction of the Project on the Property.

(g) diligently undertake the construction and development of each individual component of the Project on the Property throughout the Construction Period and use commercially reasonable efforts to complete each component of the Project on the Property on or before the applicable Completion Date.

(i) during construction of the Project, keep debris and/or waste materials containerized and/or stored and disposed of within normal industry standards

(j) cause the Project to be developed, designed, financed and constructed at its sole cost and expense, except as otherwise set forth in this Agreement.

(k) immediately notify the City of any material change in its financial condition from the information provided to the City by the Redeveloper, or any other material change in the Redeveloper's financial capability to design, develop, finance, construct and operate the Project on the Property in furtherance of the City's consideration in executing this Agreement with the Redeveloper if such change will materially impair the Redeveloper's ability to perform its obligations pursuant to the terms of this Agreement.

(l) keep and maintain in good condition any improvements constructed for the Project that are secured by performance or maintenance guarantees required pursuant to N.J.S.A. 40:55D-53 for the time period that these guarantees are in effect.

The covenants and restrictions listed within this Section shall be binding upon the Redeveloper, its successors and assigns and shall be recorded against the Property either by recording this entire Redevelopment Agreement or by recording a separate short form Declaration of Covenants and Restrictions consistent with the form Declaration attached hereto at **Exhibit D**, within forty-five (45) Days of the Effective Date of this Agreement. To the extent that the City arranges for the recording of the Declaration of Covenants, the costs relating such recording shall be City Costs. These covenants and restrictions shall remain in effect for the period set forth in Section 7.2 below.

7.2 Effect And Duration Of Redeveloper Covenants. It is intended and agreed that the agreements and covenants set forth in this Agreement shall be covenants running with the land and that they shall, in any event, and without regard to technical classification or designation, legal or otherwise, and except only as otherwise specifically provided in this Agreement, be binding, to the fullest extent permitted by law and equity, for the benefit and in favor of, and enforceable by, the City, its successors and assigns, against the Redeveloper, its successors and assigns and every successor in interest therein, and any party in possession or occupancy of the Project or any part thereof. The covenants shall cease and terminate when a Certificate of Completion for the Project has been issued, provided however, that the covenants in Sections 7.1(a) and (l) shall remain in effect without limitation as to time except as otherwise provided herein.

ARTICLE 8
PROHIBITION AGAINST ASSIGNMENT AND TRANSFER

8.1 Prohibition Against Transfer Of Interests In Redeveloper, The Agreement Or The Property. (a) The Redeveloper recognizes the importance of the Property to the general welfare of the community and that the identity of the Redeveloper and its qualifications are critical to the City in entering into this Agreement. The City considers that a transfer of the ownership in the Redeveloper or of a substantial part thereof, or any other act or transaction involving or resulting in a significant change in the ownership of or with respect to the identity of the parties in control of the Redeveloper or the degree thereof, is for practical purposes a transfer or disposition of the Project. The Redeveloper recognizes that it is because of such qualifications and identity that the City is entering into this Agreement with the Redeveloper, and, in so doing, the City is relying on the obligations of the Redeveloper and not some other person or entity for the faithful performance of all undertakings and covenants to be performed by the Redeveloper hereunder.

As a result, prior to completion of the Project on the Property, as evidenced by the issuance of a Certificate of Completion, except with the express prior written consent of the City, which consent shall be granted or denied in the City's sole and absolute discretion, the Redeveloper agrees for itself and all successors in interest that, unless otherwise permitted under this Agreement, there shall be no sale, transfer or assignment of (i) the Property; (ii) any equity interest in the Redeveloper, nor any direct or indirect change in control of the Redeveloper as it exists on the Effective Date, whether by changes in capitalization, merger, or otherwise; or (iii) the Agreement. With respect to this provision, the Redeveloper and the persons signing this Agreement on behalf of the Redeveloper represents that each has authority to agree to this provision on behalf of the current members of the Redeveloper and to bind it with respect thereto.

(b) In the event that the prior written consent of the City is requested to a sale, transfer or assignment, the Redeveloper shall provide the City with evidence of the proposed transferee and/or assignee's financial capacity and experience evidencing their ability to complete the Project on the Property and the City shall thereafter either grant such consent or provide reasons as to its denial of consent. Without limiting the City's discretion, at a minimum, any such approval for a sale, transfer or assignment will be granted only if the City determines that (i) the assignee is capable of completing the Project (or any portion of the Project being assigned), and that (ii) the assignee is assuming all responsibilities of the Redeveloper under this Agreement as to the Project (or any portion of the Project being assigned).

8.2 Exemption From Prohibited Transfers. Notwithstanding the foregoing, with prior knowledge of the City by written notice from the Redeveloper, the following shall not constitute a prohibited transfer for purposes of Section 8.1 and shall not require the consent of the City:

Conveyance of the Property or an interest therein and/or assignment by the Redeveloper of its rights under this Agreement, but only upon the following conditions: (a) if such conveyance is to third parties to which easements would conventionally be granted in connection with services (i.e. utility companies); or

(b) if such conveyance is to an Affiliate, including but not limited to an urban renewal entity formed by the Redeveloper pursuant to N.J.S.A. 40A:20-4, provided that (i) the successor and assignee of the Redeveloper shall assume all of the obligations of the Redeveloper hereunder, but the Redeveloper shall remain primarily liable for the performance of the Redeveloper's obligations; (ii) a copy of the written instrument of conveyance and assignment and assumption of this Redevelopment Agreement shall be delivered to the City for review and approval prior to execution, and once approved and executed, fully executed copies provided to the City promptly; and (iii) such conveyance or assignment does not violate any of the Government Approvals.

8.3 Consent To Permitted Transfers. The City hereby consents, without the necessity of further approvals from any entity, to the following permitted transfers: (a) a mortgage or related security granted by the Redeveloper to a mortgagee for the purpose of obtaining the financing necessary to enable the Redeveloper to perform its obligations under this Agreement (including assignments to Holders (as such term is defined within Section 9.1) that are required as a condition to the closing of the financing so secured); (b) mortgages, leases, and other liens and encumbrances for the purpose of financing the costs associated with, or incurred in connection with the acquisition, development and construction of the Project; (c) the sale and/or lease of the Property subsequent to the issuance of a Certificate of Completion for the Property; (d) environmental covenants and restrictions imposed by a regulatory Governmental Agency; and (e) any contract or agreement with respect to any of the foregoing exceptions provided, however, that to the extent practicable: (i) the Redeveloper shall give the City at least fifteen (15) Days prior written notice of such permitted transfer, including a description of the nature of such permitted transfer, and the name(s) and address(es) of the transferee and any parties, individuals or entities involved in such permitted transfer and the nature of the transfer;

For the avoidance of doubt, the City consents to the transfer to a Holder upon a foreclosure or deed in lieu as provided within, and subject to the terms and restrictions of, Article 9.

8.4 Prohibition Against Speculative Development. Because of the importance of the development of the Property to the general welfare of the community, the Redeveloper represents and agrees that its acquisition of the Property and the Redeveloper's undertakings pursuant to this Redevelopment Agreement are, and will be used, for the purpose of the redevelopment or rehabilitation the Property as provided herein, and not for speculation in land holding.

8.5 Information As To Ownership Of Redeveloper. In order to assist in the effectuation of the purpose of this Article 8, within seven (7) Days of the Effective Date, the Redeveloper shall submit to the City an incumbency certificate of the Redeveloper as of the Effective Date, subscribed and sworn to by a manager of the Redeveloper, setting forth the name(s) and address(es) of all entities owning at least a 10% interest in the Redeveloper, and, as to each such entity, all entities owning at least a 10% interest therein, such disclosure being intended to be the same disclosure that the Redeveloper will be required to make in connection with its Governmental

Applications for land use approvals pursuant to N.J.S.A. 40:55D-48.2 and as is required under N.J.S.A. 52:25-24.2.

- (a) Between the Effective Date and Completion of the Project as evidenced by the issuance of a Certificate of Completion, and at such other times as reasonably requested by the City, the Redeveloper will submit to the City an updated incumbency certificate and keep same current.
- (b) The Redeveloper will immediately notify the City in writing of any and all changes whatsoever in the ownership of the Redeveloper, legal or beneficial, or of any other act or transaction involving or resulting in any change in such ownership or in the relative distribution thereof, or with respect to the identity of the parties in control of the Redeveloper or the degree thereof, of which it or any of its officers or members have been notified or otherwise have knowledge or information.
- (c) The Redeveloper shall, at such time or times as the City may request, furnish the City with a complete statement subscribed and sworn to by managing member of the Redeveloper, setting forth all of managing members, or other owners of equity interests of the Redeveloper and the extent of their respective holdings, and in the event any other parties have a beneficial interest in the Redeveloper's entity, their names and the extent of such interest.

ARTICLE 9

MORTGAGE FINANCING

9.1 Mortgages, Liens, Or Other Encumbrances. Prior to the issuance of a Certificate of Completion, the Redeveloper shall promptly notify the City of any encumbrance or lien that has been created on or attached to the Project on the Property, by mortgage or involuntary act of the Redeveloper or others, upon obtaining knowledge or notice of same (the mortgagee thereunder or its Affiliate being collectively defined herein as a "Holder").

9.2 Obligations Of Mortgagee. Notwithstanding any of the provisions of this Redevelopment Agreement, including but not limited to those which are or are intended to be covenants running with the land, the holder of any mortgage authorized by this Redevelopment Agreement (including any such holder who obtains title to the Property or any part thereof as a result of foreclosure proceedings, or action in lieu thereof, but not including (a) any other party who thereafter obtains title to the Property or such part from or through any such holder or (b) any other purchaser at foreclosure sale, other than the holder of the mortgage itself) shall in no way be obligated by the provisions of this Redevelopment Agreement to construct or complete the Project for any of the Property or to guarantee such construction or completion; provided that nothing in this Article or any other Article or provision of this Redevelopment Agreement shall be deemed or construed to permit or authorize any such holder to devote the Property or any part thereof to any uses, or to

construct any project thereon, other than those uses provided or permitted under this Agreement, the Redevelopment Plan, Governmental Approvals and Applicable Laws.

To the extent that any Holder is required to foreclose against any lien it has with respect to the Project (as a result of a Redeveloper Event of Default or a default by Redeveloper under any agreements executed by Redeveloper and its Project lenders), the City agrees to forbear from the enforcement of any remedies provided under this Agreement that it may have against Redeveloper in order to permit such Holder to foreclose and assume or cause a third party to assume the obligations of Redeveloper under this Redevelopment Agreement; provided, however, that the City shall not be obligated to forbear from the exercise of any remedies available to it hereunder if such forbearance will result (or may result, in the reasonable judgment of the City) in a waiver of the City's rights under this Agreement or a material and adverse effect on the City's rights or performance obligations hereunder or any material increase in the City's financial obligations hereunder.

9.3 Notice Of Default To Mortgagee And Right To Cure. Whenever the City shall deliver any notice or demand to the Redeveloper with respect to any breach or Default by the Redeveloper under this Redevelopment Agreement, the City shall at the same time deliver to each lender (or equity participant in Redeveloper) a copy of such notice or demand, provided that the Redeveloper has delivered to the City a written notice of the name and address of such lender and equity participant. Each such lender shall (insofar as the rights of the City are concerned) have the right, at its option, within sixty (60) Days after receipt of a Notice of Default, to cure any such Default with respect to that portion of the Project which is being financed by such lender and which is subject to being cured and to add the cost thereof to the debt and the lien which it holds, or to the obligations of the lessees under any lease-back or of the guarantor under any other conveyance for financing; provided, however, that if the Default is one that cannot be completely cured within sixty (60) Days after receipt of the Notice of Default, it shall not be an Event of Default as long as the lender promptly begins to take actions to correct the Default upon its receipt of notice thereof or, if required, upon its obtaining possession of the Property, and is proceeding with due diligence to remedy the Default as soon as practicable, but in no event longer than ninety (90) Days unless the City otherwise consents in writing to an extension of time.

9.4 Foreclosure. If a Holder forecloses its mortgage secured by the Property (or portion to which its mortgage relates), or takes title to the Property (or portion to which its mortgage relates) by deed-in-lieu of foreclosure or similar transaction or if a third party purchaser acquires the Property at the foreclosure sale, or if a mezzanine lender forecloses any security interests it may have in Redeveloper (collectively a "Foreclosure"), the Holder or such third party purchaser shall have the option to either (i) sell the Property to a party that has the qualifications and financial responsibility necessary to perform the obligations of the Redeveloper hereunder as reasonably determined by the City, which entity shall assume the obligations of the Redeveloper under this Agreement in accordance with Applicable Law, and/or (ii) to assume the obligations of the Redeveloper under this Agreement in accordance with Applicable Law. In the event of a Foreclosure, the City shall not seek to enforce against the Holder or purchaser of the Property any of the remedies available to the City pursuant to

the terms of this Agreement available in connection with the events preceding the Foreclosure. The Holder, or the third-party purchaser referenced above that is assuming the obligations of the Redeveloper as to the Property affected by such Foreclosure or sale, must agree to Complete the Project in the manner provided in this Agreement, but subject to reasonable extensions of the scheduled Completion Date to be granted within the City's reasonable discretion. Any such Holder or party assuming such obligations of Redeveloper shall, upon properly Completing the Project, be entitled to a Certificate of Completion in accordance herewith. Nothing in this Agreement shall be construed or deemed to permit or to authorize any Holder, or such other party assuming such obligations of the Redeveloper, to devote the Property to any uses, or to construct any improvements thereon, other than those uses or improvements provided for or authorized by this Agreement and the Redevelopment Plan.

ARTICLE 10 **EVENTS OF DEFAULT**

10.1 Events Of Default. Any one or more of the following shall constitute an Event of Default hereunder, subject to a Force Majeure Extension as provided elsewhere in this Agreement:

(a) Failure of the Redeveloper or the City to observe or perform any covenant, condition, representation, warranty or agreement hereunder, and any act or omission characterized elsewhere in this Agreement as a Default, and the continuance of such failure, act or omission for a period of ninety (90) Days after receipt by the defaulting party of written notice from the non-defaulting party specifying the nature of such failure and requesting that such failure, act or omission be remedied (a "Notice of Default"); provided, however, that if the Default is one that cannot be completely cured within thirty (30) Days after receipt of the Notice of Default, it shall not be an Event of Default as long as the defaulting party promptly begins to take actions to correct the Default upon its receipt of notice thereof and is proceeding with due diligence to remedy the Default as soon as practicable, but in no event longer than ninety (90) Days unless the non-defaulting party consents, in writing, to an extension of time to cure.

(b) (i) If the Redeveloper shall have applied for or consented to the appointment of a custodian, receiver, trustee or liquidator of all or a substantial part of its assets; (ii) a custodian shall have been legally appointed with or without consent of the Redeveloper; (iii) the Redeveloper, (A) has made a general assignment for the benefit of creditors, or (B) has filed a voluntary petition in bankruptcy or a petition or an answer seeking an arrangement with creditors or has taken advantage of any insolvency law; (iv) the Redeveloper has filed an answer admitting the material allegations of a petition in any bankruptcy or insolvency proceeding; or (v) the Redeveloper shall take any action for the purpose of effecting any of the foregoing; (vi) a petition in bankruptcy shall have been filed against the Redeveloper, and shall not have been dismissed for a period of ninety (90) consecutive Days; (vii) an Order for Relief shall have been entered with respect to or for the benefit of the Redeveloper under the Bankruptcy Code; (viii) an Order, judgment or decree shall have been entered, without the application, approval or consent of the Redeveloper, by any court of competent jurisdiction appointing a receiver, trustee, custodian or liquidator of Redeveloper, or a substantial part of its assets and such order, judgment or decree

shall have continued unstayed and in effect for any period of ninety (90) consecutive Days; or (ix) the Redeveloper shall have suspended the transaction of its usual business.

(c) The Redeveloper (i) fails to perform its obligations with respect to the implementation of the Project on the Property in accordance with this Agreement and the Construction Schedule, the Redevelopment Plan, Governmental Approvals or Applicable Laws, including but not limited to failure to Commence Construction or Complete Construction in accordance with the Construction Schedule related to the Project; or (ii) abandons the Project or substantially suspends construction work without the prior knowledge and consent of the City (unless such suspension arises out of a Force Majeure Event), and any such failure, abandonment or suspension shall not be cured, ended, or remedied within thirty (30) Days after receipt by the Redeveloper of a Notice of Default; provided, however, that if the Default is one that cannot be completely cured within thirty (30) Days after receipt of the Notice of Default, it shall not be an Event of Default as long as the Redeveloper promptly begins to take actions to correct the Default upon its receipt of notice thereof and is proceeding with due diligence to remedy the Default as soon as practicable, but in no event longer than ninety (90) Days unless the non-defaulting party consents, in writing, to an extension of time to cure.

(d) There is a transfer of the Property, or interest therein, or an assignment of Redeveloper's interest in this Agreement that does not comply with the requirements of Article 8.

(e) The material breach of any warranty or representation made by the Redeveloper or the City.

(f) The violation by the Redeveloper of any covenant or restriction contained in the Declaration of Covenants and Restrictions, which violation is not cured within thirty (30) Days after receipt by the Redeveloper of a Notice of Default from the City; provided, however, that if the Default is one that cannot be completely cured within thirty (30) Days after receipt of the Notice of Default, it shall not be an Event of Default as long as the Redeveloper promptly begins to take actions to correct the Default upon its receipt of notice thereof and is proceeding with due diligence to remedy the Default as soon as practicable, but in no event longer than ninety (90) Days unless the non-defaulting party consents, in writing, to an extension of time to cure.

(g) The Redeveloper's failure to pay or delinquency in the payment of real property taxes or assessments or payments in lieu of taxes applicable to the Property conveyed to Redeveloper pursuant to the terms of this Agreement, which violation is not cured within thirty (30) Days after receipt by the Redeveloper of a Notice of Default from the City.

(h) Redeveloper's failure to fund or to replenish the funding of the Escrow Agreement or to comply with any other obligations set forth within the Escrow Agreement, which violation is not cured within sixty (60) Days after receipt by the Redeveloper of a Notice of Default from the City.

10.2 Remedies Upon Event Of Default. Whenever any Event of Default of the Redeveloper

shall have occurred, the City may, on written notice to the Redeveloper (a "Termination Notice"), terminate this Agreement and the Redeveloper's designation as the exclusive Redeveloper for the Property and take whatever other action at law or in equity as may appear necessary or desirable to enforce the performance or observance of any rights, remedies, obligations, agreements, or covenants of the Redeveloper under this Agreement. In addition, the Redeveloper shall be responsible for any and all costs or expenses incurred by the City, including reasonable attorney's fees, incurred in connection with the termination of this Agreement, the termination of the Redeveloper's designation, and any and all other action take at law or in equity by the City to enforce the terms of this Agreement. Whenever any Event of Default of the City shall have occurred, the Redeveloper, after issuance of a Termination Notice to the City, may take whatever action at law or in equity as may appear necessary or desirable to enforce the terms of this Agreement.

10.3 Force Majeure Extension. For the purposes of this Agreement, neither the City nor the Redeveloper shall be considered in breach or in Default with respect to its obligations hereunder because of a delay in performance arising from a Force Majeure Event. It is the purpose and intent of this provision that in the event of the occurrence of any such delay, the time or times for performance of the obligations of the City or the Redeveloper shall be extended for the period of the delay; provided, however, that such delay is actually caused by or results from the Force Majeure Event. The time for completion of any specified obligation hereunder shall be tolled for a period of time up to but not exceeding the period of delay resulting from the occurrence of a Force Majeure Event. To invoke the tolling provisions hereunder, the party invoking the provisions hereof must give written notice to the other party of the occurrence of a Force Majeure Event as soon as practicable but in no event more than ninety (90) Days after the occurrence thereof.

10.4 No Waiver. Except as otherwise expressly provided in this Redevelopment Agreement, any failure or delay by the City in asserting any of its rights or remedies as to any Default by Redeveloper, shall not operate as a waiver of such Default, or of any such rights or remedies, or to deprive the City of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

10.5 Remedies Cumulative. No remedy conferred by any of the provisions of this Redevelopment Agreement is intended to be exclusive of any other remedy and each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. The election of any one or more remedies shall not constitute a waiver of the right to pursue other available remedies.

10.6 Failure or Delay by Either Party. Except as otherwise expressly provided in this Redevelopment Agreement, any failure or delay by either party in asserting any of its rights or remedies as to any Default, shall not operate as a waiver of any Default, or any such rights or remedies, or deprive either such party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies as established by this Agreement.

10.7 Delivery and Assignment of Plans upon Termination. In the event of a termination of the Redeveloper as redeveloper, Redeveloper shall promptly deliver to the City, and assign to the City, all of its right, title and interest in and to any Governmental Approvals, Plans, drawings, surveys, studies, test, investigations, permits, approvals and all other Project documents for the Property to the extent that such documents are in the possession and control of the Redeveloper or its consultants, contractors, engineers, architects or agents, and shall upon request execute assignments of all Project documents for the Property and other rights and agreements pertaining to the Project on the Property in favor of the City.

ARTICLE 11 **INSURANCE**

11.1 Insurance – General Requirements. As of the Effective Date of this Agreement and at all times thereafter during the Remediation, and/or construction of the Project, and until such time as the City shall issue a Certificate of Completion for the Project in accordance with the provisions of this Agreement, the Redeveloper shall maintain, or cause to be maintained by its contractors, who shall name the City as an additional named insured and provide proof of same, insurance for the mutual benefit of the City and the Redeveloper as their interests may appear:

(a) Loss or damage by fire, and such other risks as may be included in the standard form of extended coverage insurance from time to time available, in amounts sufficient to prevent the City or Redeveloper from becoming a co-insurer within the terms of the applicable policies, and in any event, in amounts not less than 100% of the then full insurable value (as hereinafter defined) of the Project;

(b) All claims for bodily injury and property damage, under a policy of comprehensive general public liability insurance, with such limits as may reasonably be required by the City from time to time, but not less than \$2,000,000.00 per occurrence in respect of injury or death and \$4,000,000.00 aggregate general liability policy;

(c) Workers compensation insurance in an amount not less than \$1,000,000.00 or as statutorily may be required under Applicable Laws for employees of Redeveloper and its contractors;

(d) Builder's risk insurance; and

(e) Such coverage may be maintained through policies obtained by contractors retained by the Redeveloper so long as such policies identify the Redeveloper and the City as additional insureds thereunder.

The Redeveloper's obligation to provide insurance, or to arrange for its contractors to provide insurance, as to the Project on the Property shall cease upon the issuance of a Certificate of Completion for the Project.

The Redeveloper shall furnish the City with satisfactory proof that it has obtained all applicable insurance as described in this section from insurance companies or underwriters reasonably satisfactory to the City. The Redeveloper shall furnish to the City certificates of the preceding types of insurance showing the type, amount, and class of operations insured and the effective and expiration dates of the policies. The certificates shall be submitted promptly prior to the date that the Redeveloper enters onto the Property pursuant to the terms of this Agreement and the Redeveloper shall not be entitled to enter onto the Property or to exercise any other rights hereunder until the certificate has been received and verified. Until construction of the Project on the Property is completed and a Certificate of Completion issued, the Redeveloper shall, on an annual basis, provide the City with proof that the aforesaid insurance policies are being maintained.

11.2 Insurance-Restrictions. All insurance provided for under this Agreement will be reasonably effected under valid enforceable policies issued by insurers rated "A" or better by A.M. Best and reasonably acceptable to the City.

11.3 City as Insured. All policies of insurance required herein shall name the City as an insured, as its interests may appear.

11.4 Additional Insurance. Nothing in this Article shall prevent the Redeveloper from taking out insurance of the kind and in the amounts and with companies provided for under Section 11.1 under a blanket insurance policy or policies which can cover other property as well as the Property; provided, however, that any such policy of insurance provided for under Section 11.1 must (a) specify therein, or the Redeveloper shall furnish the City with a written statement from the insurers under such policies specifying the amount of the total insurance allocated to the Project, which amount will not be less than the amount required by Section 11.1 to be carried, and (b) not contain any clause which would result in the insured thereunder being required to carry insurance with respect to the property covered thereby in an amount equal to a minimum specified percentage of the full insurable value of such property in order to prevent the insured therein named from becoming a co-insurer of any loss with insurer under such policy.

11.5 Subrogation. All insurance policies obtained pursuant to this Article must include waivers of subrogation against the City and the Redeveloper.

ARTICLE 12 **COMMUNITY INITIATIVES**

12.1 First Source Employment During and After Construction; First Source Pass Through.

(a) If the Redeveloper, its successors and/or assigns and/or any subsequent purchasers and/or any third party management companies retained to manage the Property, intend to hire new or replacement employees, for either part time or full time employment, for the construction of the Project or for the operation of the Project once it is constructed, the Redeveloper, its successors

and/or assigns and/or subsequent purchasers and/or any third party management companies retained to manage the Property, shall make good faith efforts to hire City residents to fill these jobs as specified below. The City, through the City's Office of Human Resources and/or a non-profit entity to be named by the City as the job referral center (hereinafter, the "Job Referral Center"), shall be available to assist in providing qualified candidates for the above 'first source' interviewing and hiring. Redeveloper, its successors and/or assigns and/or subsequent purchasers and/or any third-party management companies retained to manage the Property, shall maintain records of this first source notification, interviewing and hiring activity for review by the City upon the City's written request.

(b) Upon completion of the Project, as evidenced by the receipt of a Certificate of Occupancy, the Redeveloper and its successors and/or assigns and/or any subsequent purchasers, shall include a provision in all of their non-residential leases for space in a structure constructed as part of the Project providing that:

"If the lessee (tenant) intends to hire a new or replacement employee for either part time or full-time employment, the lessee shall use good faith efforts to hire City residents to fill those jobs as specified below. The City, through the Job Referral Center, shall be available to assist in providing qualified candidates for the above 'first source' interviewing and hiring. The lessee's good faith effort shall include, but not be limited to: (1) written notification to the Job Referral Center of any new full or part-time job opportunities at least five (5) business Days prior to the commencement of the interviewing process. Such notification shall include, but not be limited to, the number of positions available, projected start date, estimated level of compensation, the skills and experience required for successful applicants, and the anticipated term of employment; (2) hold a first source interview window of at least five (5) business Days during which only candidates referred by the Job Referral Center shall be interviewed. These first source interviews shall take place prior to interviewing candidates from the general public; (3) cooperate with efforts to recruit City residents for employment opportunities, including participation in job fairs or similar events held by the City; and (4) meet with appropriate City officials to determine the status of recruitment efforts and to plan future employment recruitment activities. Lessee will maintain records of this 'first

source' notification, interviewing and hiring activity (including but not limited to a written description of the reasons for the decision not to hire any candidate referred by the Job Referral Center for review by the City upon the City's written request. Failure of the lessee to comply with this 'first source' requirement shall be considered by the lessor to be a material breach of the lease and shall entitle the lessor to exercise any and all remedies provided for in the lease for a material breach including eviction."

(c) Upon written notice from the City to the Redeveloper or its successors and/or assigns and/or any subsequent purchasers that the tenant is not using good faith efforts to hire City residents and is not in compliance with the first source provisions of the lease, the Redeveloper and its successors and/or assigns and/or any subsequent purchasers agree to enforce the lease provisions set forth within Section 12.1(b) above to ensure compliance by all lessees. The Redeveloper and its successors and/or assigns and/or any subsequent purchasers also agree to include the terms of this Section 12.1 in any contract for sale or transfer of the Property or any structure constructed as part of the Project to any other person or entity and to explicitly provide within such contract that these terms shall survive the closing and that the City shall be a third party beneficiary as to the enforcement of these terms.

(d) In addition to any other remedy provided under this Redevelopment Agreement and any other remedy provided by law, the Parties hereby agree that the provisions of this Section 12.1 may be enforced by the City through specific performance.

12.2 Affirmative Action

The Redeveloper, for itself and its successors and assigns, agrees that during the construction of the Project:

(4) It will endeavor to comply with the above stated goals by, among other things, considering employment of applicants, contractors and vendors who are from a pool registered by the City or its designee.

(5) Where applicable, it will at all times conform to the laws, regulations, policies of the State, the federal government, and other governmental bodies with respect to affirmative action and equal employment opportunities requirements, and particularly those which are imposed as a condition to receipt of any government-sponsored funding for the Project, notwithstanding any other provision of this Redevelopment Agreement to the contrary.

12.3 Compliance and Reporting. The obligations contained in Sections 12.1 and 12.2 shall be binding on all contractors and subcontractors to the extent that any work is done by any contractor or subcontractor, and any contract entered into by the Redeveloper (or any other person or entity) in respect of the construction of the Project shall so provide. The Redeveloper covenants to enforce (and cause any other person or entity to enforce) its contracts with its contractors and subcontractors if such parties are not in compliance with Sections 12.1 and 12.2.

ARTICLE 13

OTHER REDEVELOPER OBLIGATIONS

13.1 Defense/Indemnification. (a) Except if arising or caused by the gross negligence or willful misconduct of the City or any of its contractors, employees, agents or invitees, the Redeveloper agrees to indemnify and hold the City and its agents, employees and/or representatives harmless against any litigation filed against the City and its agents, employees and/or representatives challenging any aspect of the Agreement or the Project, including but not limited to, the validity of the Project or of any governmental action taken by the City to effectuate the Project, including but not limited to the City's entry into this Agreement and the City's transfer of the Property to the Redeveloper thereunder. If such litigation is filed, the City shall retain

control over the defense of such litigation and shall appoint counsel of its choice to defend the City in such litigation. The Redeveloper shall reimburse the City for the City's reasonable costs in defending such litigation and shall indemnify and hold the City harmless against any monetary judgment entered against the City in such litigation. The City shall promptly inform the Redeveloper of the filing of any litigation challenging the validity of the Project or of any governmental action taken by the City to effectuate the Project and shall have a continuing obligation to keep the Redeveloper apprised of the status of such litigation until the litigation is concluded.

(b) Using the Redeveloper's counsel or such other counsel as designated by the Redeveloper or the Redeveloper's insurers, the Redeveloper agrees to indemnify and hold harmless the City and its agents, employees and or/representatives, against, and the Redeveloper shall pay any and all liability, loss, cost, damage, claims, judgment, or expenses, of any and all kinds or nature and however arising, imposed by law, except if arising or caused by the gross negligence or willful misconduct of the City or any of its contractors, employees, agents or invitees, which the City may sustain, be subject to or be caused to incur by reason of any claim, suit or action based upon personal injury, death or damage to property, whether real, personal or mixed, relating to the Redeveloper's activities in constructing the Project on the Property or based upon or arising out of contracts entered into by the Redeveloper which relate to the construction of the Project, whether as a result of Redeveloper's Default or out of the Redeveloper's acquisition, construction or installation of the Project on the Property, including but not limited to any all claims by workmen, employees or agents of the Redeveloper and unrelated third parties, which claims arise from the construction of the Project on the Property, the maintenance and functioning of improvements installed pursuant to the Project on the Property, or any other activities of the Redeveloper during the construction of the Project on the Property. The Parties agree that neither the City nor its directors, officers, agents, servants or employees shall be liable in any event for any action performed under this Agreement and that the Redeveloper shall save the City and its directors, officers, agents, servants or employees harmless from any claim or suit by a third party in connection with the Redeveloper's obligations under this Agreement, except for any claim arising from the gross negligence or willful acts of the City or its directors, officers, agents, servants or employees.

(c) The Redeveloper, at its own cost and expense, shall defend any and all claims, suits and actions, as described more fully within Section 13.1(b), which may be brought or asserted against the City and its directors, officers, agents, servants or employees; but this provision shall not be deemed to relieve any insurance company which has issued a policy of insurance which may be provide for in this Agreement from its obligation to defend the Redeveloper, the City, and any other insured named in such policy of insurance in connection with claims, suits or actions covered by such policy.

(d) The Redeveloper releases the City from, agrees that the City shall not be liable for, and agrees to hold the City harmless against any expense or damages incurred because of any litigation commenced as a result of any action taken by the City with respect to this Agreement

and the Project on the Property, except if caused by the gross negligence or willful misconduct of the City or its contractors, directors, officers, agents, servants or employees.

(e) Upon the commencement of any litigation referred to in this Section, or if and when the City incurs any costs, expenses or damages described in this Section, the City shall give the Redeveloper prompt written notice thereof.

(f) All covenants, stipulations, promises, agreements and obligations of the City contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any member, officer or employee of the City in his or her individual capacity and no recourse shall be had for any claim based hereunder against any member, officer or employee of the City or any natural person executing this Agreement.

(g) The covenants and other provisions of this Section shall survive the termination of this Agreement as to any and all claims arising from this Agreement or the Project.

13.2 Security Cameras. The Redeveloper shall, at its sole cost, cause the purchase and installation of security cameras on the exterior of the Property or in the vicinity of the Property at the direction of and at locations determined by the City. The City shall determine the number, locations and date of installation of the cameras. The Redeveloper shall be solely responsible for all costs associated with the purchase and installation of the security cameras, including but not limited to the cameras, the weather casing, all parts necessary for integration into the City's wireless network, and installation services. After the security cameras have been installed at the Redeveloper's expense, the City shall be solely responsible for all costs associated with the maintenance and replacement of any camera, when deemed necessary and appropriate by the City.

ARTICLE 14 MISCELLANEOUS

14.1 Real Estate Taxes. The Redeveloper shall be responsible for the quarterly payment of real estate taxes to the City on all parcels of the Property which it owns from the date of its ownership until the Annual Service Charge Start Date (as defined in the Financial Agreement) (if a long term tax exemption is granted by the City to the Redeveloper for the Project).

14.2 Cooperation. The Parties hereto agree to cooperate with each other and to provide all necessary and reasonable documentation, certificates, consents in order to satisfy the terms and conditions hereof and the terms and conditions of this Agreement. The City further agrees to take all actions reasonably requested by Redeveloper to expedite the Project, including without limitation designating City staff liaisons to assist the Redeveloper in interacting with City departments, commissions, boards, authorities and the like.

The City shall have the right, upon reasonable written notice to the Redeveloper, to inspect the books and records of the Redeveloper pertinent to the purposes of this Redevelopment Agreement. Such inspections must be performed at a time and in a manner so as to not unreasonably interfere with the business operations of the party whose books and records are being inspected.

14.8 Modification of Agreement. No amendment to this Agreement shall be considered binding on either of the Parties unless such amendment is in writing and specifically recites that it is being entered into by and between the City and Redeveloper with the specific intention to modify the terms of this Agreement. In the event that any such amendment is agreed to by the Parties, such amendment shall not modify, change or amend any portion of this Agreement except those specific portions that are recited in such amendment as being modified by such amendment. All other portions of this Agreement not so specifically amended in writing shall remain in full force and effect. No waiver by the City or the Redeveloper of any covenant, agreement, term, provision or condition of this Agreement shall be deemed to have been made unless expressed in writing and signed by an appropriate official on behalf of both the City and the Redeveloper.

14.9 Notices and Demands A notice, demand or other communication under this Redevelopment Agreement by any party to the other shall be sufficiently given or delivered if

THIS DECLARATION OF COVENANTS AND RESTRICTIONS (the “Declaration”) made this ___ day of _____, 2023 by **151 Taylor Urban Renewal LLC**, a limited liability company under the laws of the State of New Jersey, with an address of 80 River Street, #2C, Hoboken, New Jersey 07030 (the “Declarant”).

WITNESSETH:

WHEREAS, the Declarant is the owner and developer of certain real property located at 151 Taylor Street in the City of Orange (“City”), New Jersey and identified on the City tax map as Block 3403, Lot 18 (hereinafter, the “Property”); and

WHEREAS, the Property is located within an “area in need of redevelopment” designated in accordance with the provisions of the Local Redevelopment and Housing Law, N.J.S.A. 40A:12A-1 et seq. (the “Redevelopment Law”) known as the Central Orange Redevelopment Area, District E (the “Redevelopment Area”) and is governed by the Central Orange Redevelopment Plan (the “Redevelopment Plan”); and

WHEREAS, the Redeveloper filed an application with the City seeking to be designated as the redeveloper for the Property; and

WHEREAS, the Redeveloper is proposing to redevelop the Property with a project consisting of the demolition of the existing structure on the Property and the construction of a new three-story multifamily residential building consisting of 9 units, 1 studio, 4 one-bedroom, 2 two-bedroom and 2 three-bedroom units, all of which will be Affordable Housing Units subject to the Affordability Controls, along with eight (8) off-street parking spaces (as described more fully within the Redeveloper Application, the “Project”); and

WHEREAS, in furtherance of the Redevelopment Plan, the City and Declarant have entered into a Redevelopment Agreement dated [] as amended (the “Redevelopment Agreement”) concerning a program for the redevelopment of the Property; and

WHEREAS, N.J.S.A. 40A:12A-9(a) of the Redevelopment Law requires that all agreements, leases, deeds and other instruments between a municipality and a redeveloper shall contain a covenant running with the land requiring, among other things, that “. . . the owner shall construct only the uses established in the current redevelopment plan . . .”; and

WHEREAS, the Redevelopment Agreement contains such a covenant by Declarant and its successor or assigns for as long as the Redevelopment Agreement remains in effect, as well as perpetual covenants by Declarant and its successor or assigns not to unlawfully discriminate upon the basis of age, race color creed, religion, ancestry, national origin, sex or familial status in the sale, lease, rental, use or occupancy of the Redevelopment Area or any building or structures erected thereon, to comply with Applicable Laws, Governmental Approvals, the Redevelopment Agreement and the Redevelopment Plan and to maintain in good condition any improvements made on the Property (as defined above) in accordance with Article VII of the Redevelopment Agreement; and

WHEREAS, the Redevelopment Agreement also provides that the Property, the Redevelopment Agreement, and Redeveloper's interest therein shall not be transferable, subject to certain conditions, prior to the issuance of a Certificate of Completion and further provides certain remedies to the City for violations of the covenants and defaults under the Redevelopment Agreement; and

WHEREAS, the Redevelopment Agreement requires that such covenants be memorialized in a Declaration of Covenants and Restrictions and said Declaration be recorded in the office of the Essex County Register upon execution of the Redevelopment Agreement.

NOW, THEREFORE, intending to be legally bound, Declarant hereby declares that the Property shall be held, sold and conveyed subject to the following covenants and restrictions (the "Covenants and Restrictions"), which, subject to the terms hereof, shall run with title to the Property, and be binding upon all parties who have any right, title or interest in Declarant's Property, or any part thereof, their heirs, executors, administrators, successors and assigns.

1. Declarant covenants and agrees that, subject to the terms of the Redevelopment Agreement, the Declarant shall:

(a) in connection with its use or occupancy of the Project on the Property, not effect or execute any covenant, agreement, lease, conveyance or other instrument whereby the Property or the Project is restricted upon the basis of age, race, color, creed, religion, ancestry, national origin, sex or familial status, and the Redeveloper, its successors and assigns, shall comply with all applicable laws prohibiting discrimination or segregation by reason of age, race, color, creed, religion, ancestry, national origin, sex or familial status.

All uses to which the Project on the Property may be devoted are controlled by the Redevelopment Plan, the Governmental Approvals, Applicable Laws and this Redevelopment Agreement and under no circumstances can the Redeveloper undertake any construction or development of the Project for the Property not in accordance with the Redevelopment Plan, the Governmental

Approvals, Applicable Laws and this Agreement.

(c) in order to effectuate the purposes of this Agreement, make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other persons, firms or entities and in general do all things which may be requisite or proper for the construction and development of the Project on the Property in accordance with the Redevelopment Agreement, the Redevelopment Plan, Governmental Approvals and Applicable Laws, provided however, that the Redeveloper shall not be deemed to be in breach of this covenant if the Redeveloper diligently contests, in good faith and by appropriate proceedings, such compliance with any of the aforesaid Applicable Laws.

(f) except as otherwise permitted hereunder in the case of a Force Majeure Event or COVID-19 Delay, not suspend or discontinue the performance of its obligations under this Redevelopment Agreement (other than in the manner provided for herein) for any reason, including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, commercial frustration of purpose, or any damage to or destruction of the Project on the Property.

Redeveloper's financial capability to design, develop, finance, construct and operate the Project on the Property in furtherance of the City's consideration in executing this Agreement with the Redeveloper if such change will materially impair the Redeveloper's ability to perform its obligations pursuant to the terms of this Agreement.

(l) keep and maintain in good condition any improvements required under the Governmental Approvals, including but not limited to any landscaping required to be planted or cause an entity in control of the Project on the Property (i.e. condominium or homeowner association) to maintain such improvements until the Redeveloper's conveyance of title pursuant to this Agreement.

2. The Covenants and Restrictions set forth in herein shall be covenants running with the land and they shall, in any event, and without regard to technical classification or designation, legal or otherwise, and except only as otherwise specifically provided in the Redevelopment Agreement, be binding, to the fullest extent permitted by applicable laws, for the benefit and in favor of, and enforceable by, the City, its successors and assigns, against the Declarant, or its successors and assigns. Notwithstanding anything to the contrary contained herein, this Declaration shall not be binding on any mortgagee except in accordance with the terms of the Redevelopment Agreement.

3. It is further intended and agreed that the Covenants and Restrictions set forth herein shall remain in effect only until the issuance by the City of a Certificate of Completion for the Property, as provided for in the Redevelopment Agreement at which time the Covenants and Restrictions and all terms, conditions and obligations, set forth in the Redevelopment Agreement shall cease and terminate with respect to the Property, except, however, that the Covenants and Restrictions provided for in Sections 1(a) and 1(l) hereof, shall remain in effect without limitation as to time subject to any changes in applicable laws. Upon issuance of a Certificate of Completion for the Property, the conditions that were found and determined to exist at the time the Redevelopment Area was determined to be in need of redevelopment shall be deemed to no longer exist with respect to the Property and the conditions and requirements of N.J.S.A. 40A:12A-9 shall be deemed to have been satisfied with respect to the Property.

4. In amplification, and not in restriction of the provisions of this Declaration and the Redevelopment Agreement, it is intended and agreed that the City shall be deemed a beneficiary of the Covenants and Restrictions set forth herein both for and in its own right but also for the purposes of protecting the interests of the community.

By its signature below, Declarant accepts and agrees to perform its obligations as set forth in this Declaration.
