DOL and Federal contracting agencies receiving and reviewing the information to determine that employers have received equal, reciprocal wages and fringe benefits.

We estimate that it will take an average of 35 minutes to complete this collection, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. If you have any comments regarding these estimates or any other aspect of this collection, including suggestions for reducing this burden, send them to the Administrator, Wage and Hour Division, ESA, U.S. Department of Labor, Room 32522, 200 Constitution Avenue, N.W., Washington, D.C. 20202.

## Description of Work Report

### Emergency Sewer Main and Sanitary Storm Replacement

**LOCATION:** Thomas Street and Burnside Street, City of Orange

**SCOPE OF WORK:** INVESTIGATION

On June 23, 2023, called out National Water Main (NWM) to investigate what was reported by the EPA to be raw sewage escaping into the Second River Brook. Upon further investigation, there was visual confirmation, specifically at the end of Kearny Street where sewage was evident running into the brook. (NWM) personnell along with Shauger Property Services, Inc. (SPS) Supervisors walked the brook as far as possible to try and follow the leak. (NWM) continued its investigation by videoing the storm line that runs under (SPS) parking lot, to Dodd Street and connects to a storm inlet at the intersection of Dodd Street and Thomas Blvd. That inlet showed signs of raw sewage running through it. As we videoed further, a manhole halfway up Thomas Blvd. was surcharged, filled with sewage. (NWM) Jetted that line and broke free any blockage. As the video camera showed, the problem was discovered at the intersection of Thomas Street and Burnside Street where we found an underground storm drain directly under the sewer line, causing the storm and sewer to co-mingle, releasing raw sewage into the

**SCOPE OF WORK:** WORK PERFORMED

**Day 1: 6-23-2023:** Investigated, found area of leakage, set up traffic control and proceeded to temporarily install concrete over the storm line to help prevent co-mingling in the manhole.

**Day 2: 6-27-2023:** Mobilized, set up trench boxes, road plates and delivered Storm Manhole #1

**Day 3: 6-28-2023:** Excavate 10x10x12' trench to install new storm manhole and risers, abandon the storm line from existing manhole and connect into new storm manhole. Form concrete channel inverts at base of manhole.

**Day 4 thru 8: 6-29-2023 to 7-18-2023:** Make connection into sanitary manhole with new 8" sewer line and connection into new storm manhole with 8" storm then continue to install an 8" sanitary line and an 8" storm line simultaneously, for about 250 LF each with a 12' wide trench to the intersection of Thomas Street and Carroll Street.

**Day 8-9: 7-18-2023 and 7-19-2023:** After pipe install complete for both sewer and storm, tie in new sanitary line to existing sanitary manhole on each side. Installed new storm manhole w/risers and installed 12' of 8" PVC to tie in to new storm manhole. Then added about 10 LF of 8" PVC storm pipe from new storm manhole to existing storm manhole to act as an over flow. Form concrete channel inverts at base of manhole.

**Day 10: 7-20-2023:** Install manhole ladder in new storm manhole along with a new frame and cover. Finished channel invert in manhole base. Connect to existing storm under drain pipe.

**Day 11-12: 7-24 to 7-28 2023:** Perform all necessary restoration including new sidewalk in front of driveway where sanitary tie in was performed and storm was connected. Paved approximately 600 SY of asphalt.

DOL and federal contracting agencies receiving this information review the information to determine that employees have received legally required wages and fringe benefits.

Dear Business Representative:

Congratulations! You are now registered with the New Jersey Division of Revenue.

Use the Taxpayer Identification Number listed above on all correspondence with the Divisions of Revenue and Taxation, as well as with the Department of Labor (if the business is subject to unemployment withholdings). Your tax returns and payments will be filed under this number, and you will be able to access information about your account by referencing it.

Additionally, please note that State law (Public Law 2001, c.134) requires all contractors and subcontractors with State agencies to provide proof of their registration with the Division of Revenue. The law also amended Section 92 of the Casino Control Act, which deals with the casino service industry.

We have attached a Proof of Registration Certificate for your use. To comply with the law, if you are currently under contract or entering into a contract with a State agency, you must provide a copy of the certificate to the contracting agency.

If you have any questions or require more information, feel free to call our Registration Hotline at (609) 292-1730.

I wish you continued success in your business endeavors.

Sincerely,

John E. Tully, CPA  
Acting Director

- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
- Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.
