**Re: City of Orange Township
Recommendation for On-Street Handicapped Parking at 149 Elm Street
Block 1804, Lot 31
RVE File No. 0717Q009**

Dear Mr. Mayes:

At the request of the City, our office conducted a site investigation of the above-referenced location to determine the feasibility of installing an on-street handicapped parking stall. Our office conducted the investigation per *City Code Chapter 200-18.1 Handicapped Parking Spaces*. Below please find a summary of the City Code requirements and our findings:

| City Code Requirement | Findings |
|--|----------|
| Is parking prohibited in area? | No |
| Will the parking space interfere with normal traffic flow? | No |
| Will the number and/or nature of commercial establishments in the area make the parking stall burdensome or impracticable? | No |
| Will the existence of other restricted parking stall in the vicinity of the proposed parking stall create an unreasonable burden on residents? | No |
| Is there an existing handicapped parking stall within 300 feet of the proposed parking stall? | No |

Our office also noted the following conditions during its site investigation:

- Property appears to be a single-family residential dwelling.
- There is no driveway associated with the property.

Based on our investigation, the above-referenced property meets the requirements of *City Code Chapter 200-18.1 Handicapped Parking Spaces*.

Should the City approve the application, our office recommends that the stall be constructed on the north curb line of Elm Street in front of the 149 Elm Street property. Our office can provide technical guidance upon request.

If you have any questions, please feel free to call Mr. Derek Dorrah of our office at (551) 430-1019.

Dear Mr. Mayes,

My name is Rose Marie Davidson and I am writing to you in connection with the enclosed form application for a handicapped restricted parking zone space in front of my residence at 149 Elm Street in Orange, NJ. There was previously a reserved space, designated with two signs outside my residence, however in October 2023, with the renovation of the sidewalks outside my home, the signs were removed, creating a significant hardship for me. Please note that as indicated in the enclosed form, there is no driveway or garage at my home.

In connection with my application, I have included copies of my drivers license, my disabled identification card and my handicap placard. I am no longer able to drive myself, however my niece Anwara Doers and my nephew Daniel Doers, with whom I reside at 149 Elm Street, drive me to all of my doctors' appointments and to any other needs. The registration for the car used to transport me is also enclosed along with copies of both of their drivers licenses.

I am also enclosing a letter from one of my treating physicians, which notes that I am unable to walk more than 50 feet without needing rest, which makes the designated parking space outside of my home indispensable to me. I ask that you please agree to place the reserved parking signs back in front of my home as soon as possible. Thank you very much.

Sincerely

Rose Marie Davidson
