**Re: City of Orange Township
Recommendation for On-Street Handicapped Parking at 357 Lincoln Avenue Apt. BA
Block 4901, Lot 18
RVE File No. 0717G009**

Dear Mr. Mayes:

At the request of the City, our office conducted a site investigation of the above-referenced location to determine the feasibility of installing an on-street handicapped parking stall. Our office conducted the investigation per *City Code Chapter 200-18.1 Handicapped Parking Spaces*. Below please find a summary of the City Code requirements and our findings:

City Code Requirement	Findings
Is parking prohibited in area?	No
Will the parking space interfere with normal traffic flow?	No
Will the number and/or nature of commercial establishments in the area make the parking stall burdensome or impracticable?	No
Will the existence of other restricted parking stall in the vicinity of the proposed parking stall create an unreasonable burden on residents?	No
Is there an existing handicapped parking stall within 300 feet of the proposed parking stall?	No

Our office also noted the following conditions during its site investigation:

- Property is a multi-family residential dwelling.
- There is no driveway associated with the property.

Based on our investigation, the above-referenced property meets the requirements of *City Code Chapter 200-18.1 Handicapped Parking Spaces*.

Our office recommends that the existing handicapped parking stall remain as is on the west curb line of Lincoln Avenue and that the ownership be transferred to the wife's name. Our office can provide technical guidance upon request.

If you have any questions, please feel free to call Mr. Derek Dorrah of our office at (551) 430-1019.

Sincerely,
REMINGTON & VERNICK ENGINEERS

Thank you for calling me today. It's with a sad heart to let you know that my husband Kevin Jones Muhammad transitioned. I would like to start the process of having the signage converted over to my name. Thank you again
