Re: City of Orange Township
Recommendation for On-Street Handicapped Parking at 364 Berwick Place
Block 5802, Lot 16
RVE File No. 0717G009

Dear Mr. Mayes:

At the request of the City, our office conducted a site investigation of the above-referenced location to determine the feasibility of installing an on-street handicapped parking stall. Our office conducted the investigation per *City Code Chapter 200-18.1 Handicapped Parking Spaces*. Below please find a summary of the City Code requirements and our findings:

City Code Requirement	Findings
Is parking prohibited in area?	No
Will the parking space interfere with normal traffic flow?	No
Will the number and/or nature of commercial establishments in the area make the parking stall burdensome or impracticable?	No
Will the existence of other restricted parking stall in the vicinity of the proposed parking stall create an unreasonable burden on residents?	No
Is there an existing handicapped parking stall within 300 feet of the proposed parking stall?	No

Our office also noted the following conditions during its site investigation:

- The property appears to be a multi-family residential dwelling.
- There is a driveway associated with the property.

Based on our investigation, the above-referenced property meets the requirements of *City Code Chapter 200-18.1 Handicapped Parking Spaces*.

Should the City approve the application, our office recommends that the stall be constructed on the south curb line of Berwick Place directly in front of the property. Our office can provide technical guidance upon request.

Should you have any questions, please feel free to call Mr. Derek Dorrah at (551) 430-1019.

Sincerely,
REMINGTON & VERNICK ENGINEERS

INSTRUCTIONS TO THE RECIPIENT

Generally, distributions from retirement plans (IRAs, qualified plans, section 403(b) plans, and governmental 457(b) plans), insurance contracts, etc., are reported to recipients on Form 1099-R.

Qualified Plans and section 403(b) plans-- If your annuity starting date is after November 18, 1996, generally, you must use the simplified method to compute your taxable amount if your payer didn't show the taxable amount in box 2a. See the instructions for Form 1040 or 1040NR.

Loans treated as distributions. If you borrow money from a qualified plan, 403(b) plan or governmental section 457(b) plan, you may have to treat the loan as a distribution and include all or part of the amount borrowed in your income. There are exceptions to this rule. If your loan is taxable, Code U or M will be shown in box 7. See Pub. 575.

Box 1. Shows the total amount you received this year. The amount may have been a direct rollover or received as periodic payments, as nonperiodic payments, or as a total distribution. Report this amount on Form 1040 or 1040NR on the line for "Pensions and annuities" (or the line for "Taxable amount"). However, if this is a lump-sum distribution see Form 4972, Tax on Lump-Sum Distributions. If you have not reached minimum retirement age, report your disability payments on the line for "Wages, salaries, tips, etc." Also report on that line permissible withdrawals from eligible automatic contribution arrangements and corrective distributions of excess deferrals, excess contributions, or excess aggregate contributions.

Box 2a. This part of the distribution is generally taxable. If there is no entry in this box, the payer may not have all the facts needed to figure the taxable amount. In that case, file first box in box 2b should be checked. You may want to get one of the following publications from the IRS to help you figure the taxable amount: Pub. 571, Tax-Sheltered Annuity Programs for Employees of Public Schools and Certain Tax-Exempt Organizations; Pub. 575 (or Pub. 939, General Rule for Pensions and Annuities). For a direct rollover, zero should be shown (and you must enter zero (-0-) on the "Taxable amount" line of your tax return. If this is a total distribution from a qualified plan and you were born before 1936 (or you are the beneficiary of someone born before 1936), you may be eligible for the 10-year tax option. See Form 4972, Instructions for more information. If you're an eligible retired public safety officer who elected to exclude from income distributions from your eligible plan used to pay certain insurance premiums, the amount shown in box 2a hasn't been reduced by the exclusion amount. See the instructions for Form 1040 or 1040NR for more information.

Box 2b. If the first checkbox is checked, the payer was unable to determine the taxable amount, and box 2a should be blank. If the second checkbox is checked, the distribution was a total distribution that closed out your account.

Box 3. If you received a lump-sum distribution from a qualified plan and you were born before January 2, 1936 (or you are the beneficiary of someone born before January 2, 1936), you may be able to elect to treat this amount as a capital gain on Form 4972 (not on Sch. D (Form 1040)). See Instructions for Form 4972.

Box 4. Shows Federal income tax withheld. Include this on your income tax return as tax withheld, and if box 4 shows an amount other than zero, attach Copy B to your return. Generally, if you will receive payments next year that are not eligible rollover distributions, you can change your withholding, or elect not to have income tax withheld by giving the payer Form W-4P, Withholding Certificate for Pension or Annuity Payments.

Box 5. Generally, this shows the employee's investment in the contract (after-tax contributions). If any, recovered tax free this year.

Box 7. These codes identify the distribution you received: 1 - Early distribution, no known exception (in most cases, under age 59 1/2) (File Form 5329 if you qualify for an exception to the additional 10% tax). For a rollover to a traditional IRA of the entire taxable part of the distribution, do not file Form 5329. See Form 1040 instructions. 2 - Early distribution exception applies (under 59 1/2) (You need not file Form 5329). 3 - Disability (You need not file Form 5329). 4 - Death (You need not file Form 5329). 5 - Normal distribution. 6 - Excess contributions plus earnings/excess deferrals (and/or earnings) taxable in 2023. A - May be eligible for 10-year tax option (See Form 4972). E - Excess annual additions under section 415 (Report on Form 1040 on the line for taxable pension or annuity income. You need not file Form 5329). G - Direct rollover to a qualified plan, a 403(b) plan, a governmental 457(b) plan, or an IRA. L - Loans treated as distributions. M - Qualified plan loan or set. P - Excess contributions plus earnings/excess deferrals taxable in 2022.

Box 9a. If a total distribution was made to more than one person, the percentage you received is shown.

Box 9b. If you are a new retiree and this is the first year that you received benefits, the amount shown is your after-tax contribution. This differs from your total contribution to the pension plan because your normal pension contribution has been tax-deferred since January 1987. It is used to compute the taxable portion of the distribution. See Pub. 575.

Boxes 12 and 13. If state income tax was withheld from the distribution, these boxes will be completed.
